Will it Spread?

There is no other paint, either prepared or hand made from lead and oil, that will spread as well under the brush and cover as much surface to the gallon as

THE SHERWIN-WILLIAMS PAINT.

Figure 300 square feet, two coats, to the gallon and you'll probably have some paint left over. There are many other good points in its favor. Ask us about them.

DEAR SIR AND FRIEND:

Owing to the fact that many of the farmers and ranchers were unable to take advantage of the bargains we offered during the regular Bargain Week, and the fact that many of our out of town customers have asked us to give them a chance to take part in one of our special farmers' and ranchers' days, we have concluded to have one more week of bargains, beginning Friday, October 22d, and ending on the night of October 30th.

The accompanying advertisement will show you that we are offering the same goods at the same prices that they were sold during Bargain Week. In addition we issue the coupons attached thereto, which have a trade value as represented. Be sure to bring the coupons and the price list with you. You must have a copy of this advertisement or the coupons in order to be entitled to the prices quoted in this list.

Our special sales have always been a success. This is because we do just as we advertise. We quote but one price, and we sell at the price quoted. If you have taken advantage of any of our special sales you are familiar with our methods of doing business.

Our fair held in connection with bargain week was a rousing success. We had a fine display. We sent much of the produce to the Portland Chamber of Commerce, where it will be used to advertise our county.

Thanking you for past favors and extending you a cordial invitation to attend our Special Farmers' and Ranchers' Bargain Week, we are,

Very respectfully yours,

PORTLAND CLOTHING AND SHOE STORE,

K. SUGARMAN, Proprietor.
