Judge Griffith was telling me the other day that the tax rate for the coming year was likely to be about 14 mills. Now that is one of the best advertisements for this county that can be put out. Why, back in Nebraska and Iowa, where the land is valued at \$110 an acre, the tax rate runs up to 35 mills. It is easy to induce men to buy land where the tax rate is low.

ground.

George Ritter set a good example last Thursday when he went to town by taking his two boys with him to see the sights. If farmers were to take their children with them to town oftener the experience would be worth many days of schooling. Don't you think so?

Mrs. Mollie Petersteiner was visit- large attendance is desired.

ing friends in the valley recently. Miss Rosa Beck took care of her boarding house in her absence.

Some farmers who have no timber acres. That isn't a bad crop from a on their farms are unnecessarily worried over the fuel question-having heard that timber inspectors had forfreighting done over the road to Bly bidden them from cutting any timber Lake Friday. off government land; but the fact is. every farmer is allowed to cut \$50 Merrill Saturday. worth of timber for his own use every year. He cannot sell it, however.
