His departure is due to the illness of his father, whose sickness is so severe as to confine him to his bed. It is quite likely that when Mr. Sargent returns he will be accompanied by his parents. Mr. Sargent Sr. has a host of friends in this city who will regret to learn of his illness and hope that ere long he will have sufficiently recovered to forsake the rigorous climate of Ohio and once more return to this city.

The trustees of the Woman's Library club have elected Mrs. T. D. Talbot as librarian to succeed Mrs. Dresser, who has resigned because of planning to leave Klamath Falls soon. The club appreciates very much the efficient work done by Mrs. Dresser. During the year and a half she has served as librarian she has installed a new system of cataloging and classifying the books which is equal to any used in the large libraries. WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Jesse Freeman, Sterling Mine, Jacksonville, Ore., says: "I actually believe that Doan's Kidney Pills saved my life. I suffered from kidney disease for a long time before I realized what was the matter with me. My worst troubles were pains in my back and limbs and an irregularity in the passage of kidney secretions. I was unable to rest well on account of the pains and felt so stiff and lame at times that I could hardly walk. I finally learned of Doan's Kidney Pills, and as they were so highly recommended I procured a box and began using them. They seemed to be just what I required, for in less than two weeks beneficial results were apparent. When I had used seven boxes I was in better health than I had been for years."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The Farmers' Implement company have now almost completed the new addition to their store at Sixth and Klamath avenue. The new rooms will be used as a hardware room, and are 44x90, making the entire building occupied by this company 120x90.

At the trial Thursday last Harry Ward, the defendant, and former proprietor of the Davenport cafe, was bound over under \$500 bonds to await the action of the grand jury.

Remember the name—Doan's—and take no other.

The warrant for the arrest of Ward was sworn out by Heldrich & Dulaney of the Monarch Mercantile company, the charge being obtaining money under false pretenses. It seems that the defendant had mortgaged, in order to obtain more credit, certain property to the Monarch Mercantile company and that the property mortgaged had not as yet been fully paid for. Attorney Irwin made a strong plea in behalf of Ward.

Nyal's Vegetable Prescription is indicated in all ordinary diseases of women. This remedy never disappoints, its god effects being perceptible from the very first. It is composed of the purest and the most reliable drugs; mercurials, opiates and other harmful drugs being excluded. The many disconcerting influences to which woman is constantly subjected render her liable to many functional disorders that not only tend to destroy her comfort and happiness, but which gradually merge into chronic and serious diseases.

Nyal's Vegetable Prescription is without a peer for the successful treatment of female weakness, painful and disordered menstruation, hysteria, cramps, "bearing down pains," inflammation and falling of the womb. This is a remedy of sterling worth.
