say the least, trying. "Do you really think he will recover, Dr. Shaw?" asked the oldest sister of the invalid, who RESTORATION OF PUBLIC LANDS had borne with his vagaries patiently for years.

"I know how you feel, with Thanksprints showing all vacant lands soon giving coming on, and all," said the to be restored to the public domain doctor, peering at her from under his in Klamath County, also all town- shaggy eyebrows, "but it's too soon to ships in the Lakeview Land District, tell. He may get well, and then again he may not. I can't encourage you yet either way."-Youth's Companion.

In a small town in Jersey there is a corner grocery where you may buy anything from a twenty foot ladder to a pearl necklace. Adhesive plaster, sauerkraut and tollet articles are also sold, and in case of necessity you may get a hair cut or a horse shod in the back yard. Some time since a farmer stopped in the store to get some horse tiniment to rub the rheumatism out of later he came back with a life sized

"Look here, Abner," he complainingly remarked, "I wish ye would be a leetle might more keerful how ye throw yerself back o' thet counter. Tother day ye give me cologne instead o' hoss liniment, and gosh dast 10; \$10. If I didn't put it on thet sick cow

"It didn't hurt her any, did it?"

"Can't say thet it did." answered the farmer, "but ever sence she has had thet sweet smellin' stuff on her she bain't done a derned thing but jes' look at her reflection in ther duck pond NW 4 of Sec. 36-40-10; \$3720.

Damascus, a Garden City.

Damascus is a garden city touched | 12; \$3600. by the great desert. Under its roses one feels the sands. Beside its trembling waters one dreams of the trembling mirage. The cry of its muezzins seems to echo from its mosque towers to that most wonderful thing in nature which is "God without man." The breath of the wastes passes among the poplars as that Bedouin boy passed among the merchants when he came and when he went. In Damascus one hears the two voices. And when one looks from the sacred mountain upon that city of dream, cradled among the woods, one sees far off the tawny beginnings of that other magic which looks out from the Redouin's eves. And though perhaps with the pilgrims from Samarkand one loves to rest beside the fountains under the bedges of roses, one is aware of the other love, intercourse with which has made Damascus an earthly paradise for them and for you .- Robert Hichens in 12-3tf

Handicapped.

Two old settlers sat smoking in their cabin far away in the backwoods. No woman's hand had ever desecrated that sanctum, and grime reigned supreme and triumphant. The conversation veered around from state poli-

"Ya-as," said the elder of the two. with a drawl, "I did get one o' them there cookbooks wunst, but I could never do nothin' with it.

"How was that?" inquired the other. 'What was the hitch?"

'Waal," was the answer, "every one them receits begun in the same way with the same words. Every one amount offered. 'em started off with 'take a clean dish,' and I never got no farther."

And he slowly replaced his old black clay pipe in his mouth and fell to and all bids. ruminating sadly on the narrow outlook on the world of human beings as displayed by authors of cookery books.

Origin of Kilts.

It will doubtless surprise many Scotchmen to learn that the kilt as at present worn is only a modern fancy costume and is not of Scottish origin at all. The honor of its invention is due to two Englishmen-an army tailor who accompanied General Wade's forces to Scotland in 1719 and Thomas Rawlinson, overseer of some iron works in Glengarry's country. For more than a century previously, indeed, the tartan plaid had been the common garb of the highlanders, but it was all in one piece, wound in folds around the body, leaving the knees bare. Prior to the adoption of the tartan, which probably took place about the close of the fifteenth century, the long, loose saffron colored skirt, the real "garb of old Gaul," was the highland dress.-London Mail.

Gift to the Ugly Man. The practice of making such gifts appears to have arisen in America and is nearly obsolete. It therefore seems to deserve a note. It goes back to Harvard college (now Harvard university) beyond 1794. In that year Wil-

liam Biglow was the recipient of the jackknife. In 1795 he handed it on to Charles Prentiss, with these lines: Item: C. P. has my knife During his natural college life. That knife which ugliness inherite And due to his superior merits, And when from Harvard he shall steer

That 't may from class to class descend Till time and ugliness shall end.

> -Notes and Queries. Meaning of Cemetery.

It is not correct to say that "ceme tery" means the "city of the dead." The word is from the Greek "kolmeterion," meaning sleeping place, not the place of the dead. There is nothing in the etymology of the word to warrant us in thinking that it was originally intended to convey the idea that the departed were really dead any more than there is in the old Hebrew term for cemetery, "bethalm," the house of the living.-Exchange.

Their Advantages.

Blobbs-This musicale is a charity affair for the benefit of the poor. Slobbs -I don't see just where the poor come in. Blobbs-Well, they don't have to be present.-Philadelphia Record.
