'Tis the honest statement of a sufferer who was cured.

Chas. Voss, Pine and North Sts., Yreka, Cal., says: "I honestly believe that Doan's Kidney Pills saved my life. I suffered from dropsy for a long time and despite all my efforts to get relief, I gradually grew worse. At times various parts of my body became bloated and I frequently had great difficulty in putting on my shoes. I suffered from headaches and I had a constant desire to pass the kidney secretions. I ran down in health until I became a shadow of my former self. I happened to read about Doan's Kidney Pills and seeing that they had been used with excellent results for similar troubles, I procured a box and began taking them. They helped me from the first and I continued their use until I was entirely free from kidney trouble."
