ODD FELLOWS' BUILDING ASSOCIATION ADOPTS PLANS

Plans of R. E. Wattenburg are Adopted and the Work Will Soon Begin

The plans of R. E. Wattenburg for the new three-story Odd Fellows' building, to be the largest and most modern building yet erected in Klamath Falls, have been accepted by the Odd Fellows' Building association directors, and the contract will be let within a short time.

The building is to have three stories on the ground floor, all facing Main street, with a frontage of plate glass windows on Fifth street for the corner store.

Fred Houston has already leased the corner store and the next store adjoining it, and negotiations are on for the third.

The contract will be let on June 29th. Mr. Wattenburg has drawn three sets of specifications; for red clay brick, cement brick and red brick with pressed brick facings. It is thought the building can be erected for about \$40,000. The Odd Fellows own the lot, on which an excavation for a basement has already been made, and are selling \$50,000 worth of bonds for the building fund. About half of the bonds have already been taken.

COOK GOES BACK TO ETHA

United Press Service.

LONDON, May 31.—The morning papers say they have scoured Scotland with a fine toothed comb, and are unable to find Capt. Cook, whom New York papers reported there on his way to Etha to bring back the records of his discovery of the North Pole.

GOING AFTER DESERT CLAIMS

Quite a number of people in the city are now arranging to visit the northeastern part of Lake county on a prospecting tour of the desert land proposition. There are still quite large tracts of land open to entry in that section.

TWO MARRIAGES

Marriage license issued Tuesday to Jesse L. Vose and Miss Mildred L. Dodge, both of Ft. Klamath, and to Ross S. Sutton, a farmer of Dairy, and Miss Etta E. Smart of Fort Klamath.

S. T. Tooker was a visitor Saturday from his ranch near Dairy. He reports fine crops of Turkestan alfalfa, which is especially adapted to dry land.

PERRY DELAP ACTS AS TOASTMASTER

HIGH SCHOOL GRADUATES GATHER AT FESTIVE BOARD

Speeches Are Made by President Campbell of U. O. and Presidents of Six Classes

The banquet given by the High School Alumni association to its new members, the graduates of 1910, on Saturday evening, was a very jolly affair.

Perry DeLap, president of the association, was toastmaster and President Campbell of U. O. and County Superintendent Swan and all the faculty members were present.

The members did full justice to an elaborate menu at the Denver cafe, and toasts to the different classes were responded to by Howard Boggs for George Stevenson of '10, Vincent Yaden of '09, Fanny Virgil of '08, Frank Wilson of '07, Agnes Stevenson of '05 and True DeLap of '02.

The banqueters expressed regret that George Stevenson, president of the class of '10, could not be with them, he having been ordered to rest for an operation for rupture, which was performed by Drs. Hamilton and Wright Monday. He is resting easily at the home of Judge Griffiths and as soon as he is able will leave with his mother, who is here, for their home in Eugene.

MR. HILL'S BLUNDER

(From Pendleton East Oregonian)

Louis W. Hill, son of James J. Hill, and the head of the Great Northern railroad, is quoted as having spoken very disparagingly of the reclamation service at Klamath Falls. He said he had never noticed the reclamation men doing anything aside from raising and lowering the flag at the project offices, or words to that effect.

Now why this needless and unjust slur? Why should such a slur be cast by Louis W. Hill who is supposed to be working for the colonization of Eastern Oregon?

Knowledge at close hand of the work upon the Umatilla project the East Oregonian is at loss to account for the animosity felt by Mr. Hill. Had Mr. Hill been here a few years ago he would have witnessed something beside flag raising. He would have seen a band of government engineers with their faces tanned by the wind and heat of the west end desert. He would have found these men of high caliber personally working very earnestly at the task they had to do. Had he ever viewed the Umatilla project he would know that those engineers built some of the best irrigating canals there are in the state or in the West. They are much better than private irrigation ditches. They built a reservoir that holds all the water the project needs and more. It's a reservoir that will never bread.

Does Louis Hill believe that the people of Eastern Oregon restrain him in his criticism of the reclamation service? Does he think the people of Eastern Oregon want to drive the reclamation service out of this state? If so, he has made a mistake.

WILL DEDICATE EXCHANGE WITH A DANCE

MORE JUNE WEDDINGS ON THE TAPIS

Guy W. Leslie and Miss Clara R. Taber to Be Married This Evening in This City

The first of the June weddings this year will be that of Guy W. Leslie, a popular employe of Hector's Boston store, and Miss Clara R. Taber, daughter of Mr. and Mrs. I. P. Taber of Conger avenue. Both the young people have been Hector employes for some time. Their wedding will be a quiet home affair, and they will take rooms in the Boston Store building for the present.

Harry S. Childers and Miss Hazel M. Lyons, also Klamath Falls young people, will be married within a day or two.

BOZANZA DRUGGIST COMING

Chris Heidman to Open in Heidman's Jewelry Store June 15th.

Attracted by the larger opportunities offered in Klamath Falls, C. J. Heidman, Bonanza's popular druggist, will soon open a first-class pharmacy in the room in the Page-Stratton building occupied by the G. Heidman jewelry store. Mr. Heidman is recognized as a first-class druggist, and will conduct a drug store only, not carrying any side lines. He has ordered a complete line of the best drugs obtainable, and will be prepared to fill all prescriptions from the simplest to the most complex. Mr. Heidman has a great many friends in Klamath Falls who have been urging him for some time to come here. He expects to open his new store about June 15th. He has been intending to move to Klamath Falls for some time, but the recent Bonanza fire has hastened this action.

The largest vessel ever built in Switzerland, a steamboat 329 feet long, is being constructed for use on Lake Geneva.

Nyal's Vegetable Prescription
Nyal's Vegetable Prescription is indicated in all ordinary diseases of women. This remedy never disappoints, its good effects being perceptible from the very first. It is composed of the purest and the most reliable drugs; mercury, rhubarb, opiate and other harmful drugs being excluded. The many disconcerting influences to which woman is constantly subjected render her liable not only to destroy her comfort and happiness, but which gradually merge into chronic and serious diseases.
Nyal's Vegetable Prescription is without a peer for the successful treatment of female weakness, painful and disordered menstruation, hysteria, cramps, "bearing down pains," inflammation and falling of the womb. This is a remedy of sterling worth.
