**OLENE SCHOOL PICNIC**  
 Olene Public School, District No. 4, closed last Friday, June 3, with a picnic in Mr. Kinney's grove, three-fourths of a mile southeast of Olene. The morning being pleasant at the appointed hour of 10 o'clock, carriages were seen coming from all directions to the picnic grounds. The school bell rang, and on roll call there was only one pupil found absent. Miss Rose of Poe Valley was asked to fill the vacant place on the program, which she did by reciting a choice piece of poetry which did honor to herself, to Poe Valley and to the entertainment.  
 After the pupils had their thirst quenched by lemonade served by the teacher, the teacher stated that the pupils had made their own selections and that there had not been any of the regular school hours taken in the way of preparation, the only practice in the way of preparation had been during the intermissions. The following program was rendered:  
 Recitation "Children's Day"  
 Neva Anderson  
 Song "My Own United States"  
 School  
 Oration "Mormonism"  
 W. J. Fitzgerald

 Recitation "The Schoolhouse by the Way"  
 Miss Anderson

 By the School, and parody by Minola Taylor  
 After the school exercises speeches were made by Mrs. Moore of Poe Valley, Messrs. Taylor and Andrews, patrons of the school, and Director Moore. The speakers lauded both pupils and teacher, and asked that the teacher, Mr. W. J. Fitzgerald, be retained to teach the school for the coming school year.  
 In the absence of the county school superintendent Mr. Fitzgerald made the closing remarks, in which he thanked the parents for assisting him with his school work, and thanked the patrons and all who took part in making the picnic a grand success.

He then pointed out to the directors and patrons of the school to improve the school grounds and to furnish furniture and apparatus for the school building.  
 The dinner bell rang. The multitude came forward and were seated at the tables which were spread with all the dainties of the season, such as would not only do honor to Olene, but to any school district of the state, as well as the county.  
 Director Moore returned thanks to God for His bountiful blessings, and the tables soon lost a part of their beauty. But after the multitude had eaten and were satisfied, the remark was made by a large number that there was enough left for as many more.  
 The following school districts were represented at the picnic: Poe Valley District No. 2; Lower Poe Valley, Pine Grove, Merrill, Bonanza, and many strangers with whom the writer was not acquainted. Poe Valley No. 2, where Mr. Fitzgerald had taught, was probably the largest of the outside schools represented.  
 Dinner being served, the juveniles amused themselves by playing games, while the adults were debating the advisability of celebrating the Fourth at Olene by having games, horse racing and a barbecue.  
 At a late hour the crowds started homeward, expressing themselves as having spent a very pleasant and joyful day, and hoping that the time was not far off when the Olene school would give a similar picnic.
