Joseph E. Culver of Los Angeles, lumber buyer for the Hughes Manufacturing company of Los Angeles, the Western Sash and Door company of Kansas City, Mo., and the Oklahoma Sash and Door factory of Oklahoma City, Okla., is in the city for the purpose of purchasing lumber from the local sawmills.

C. R. Miller, returned Thursday evening after a month's absence, during which time he has been engaged in making photographs for the O., R. & N. company. Mr. Miller came direct here from Walla Walla. In about a week he expects to return to Roseburg, Grants Pass and other cities in the Willamette valley to do some more work for the same company.

W. G. Southers, one of the firm of Souther-Albertson company, the realty men of Portland, who are handling the properties of the Klamath Development company, is in the city on business. He expects to remain here for several days. Mr. Southers states that the interest in Klamath Falls is increasing everyday, and that it is the most talked of place in Portland.

Mr. William Hilsabeck of Spokane, Wash., is in the city. Mr. Hilsabeck is a long distance runner, having trained in the Y. M. C. A. of Spokane. He issues a challenge to any runner for five, ten or fifteen miles, but says he prefers the ten-mile distance. The Fourth of July committee is trying to find some one to meet Mr. Hilsabeck on the 4th or 5th of July.

One of the finest specimens of dry land wheat that has ever been brought to this city was placed on exhibition in the offices of Mason & Slough by John DePuy. Mr. DePuy is farming several hundred acres of land belonging to L. F. Willis and E. L. Hopkins, located near Midland, and he has wheat on his land that stands over three feet. The specimen brought to the city has heads that are full and large, and Mr. DePuy states that it will easily run thirty bushels to the acre.

It is reported that there have been several cases of chicken stealing on the Merrill road. Some of the ranchers feel very indignant, and say that they have the guilty parties pretty well located. There has been too much of this work, according to the statements of some of the farmers, and they are taking means for their protection. Unless the stealing stops drastic measures may be taken.

Thos. F. Chatfield of San Francisco, who is proprietor of the famous Soda Bay resort in Lake county, California, has been looking over the Upper lake country. Soda Bay Springs is a beautiful place, situated on Clear lake, and is very popular with the pleasure seekers. Mr. Chatfield expressed himself as highly pleased with the location and scenery of this section. He says that it will make a great resort place, as the season opens about the time people want to get out of the large cities. Mr. Chatfield will return to this place about the 1st of September, when he may invest in some likely resort place.

O. T. McKendree, wife and children of Lakeview, were registered at the

GET READY

FOR THE

FOURTH OF JULY

The day for picnics, excursions and enjoyment; the day we all celebrate is close at hand: are you ready? Perhaps you will want something in Clothing, Haberdashery, or Headwear. You will want the best to be had for your money; then come to us

Nothing better, nor as good, in Clothing than Hart Schaffner & Marx; nothing better in Haberdashery than the lines we carry; nothing better, nor as good for the money, in Headwear than the Boyer \$3.00 Hat. Then, too, we must remind you of your feet, for you will need a good pair of Shoes for the 4th. We have the best, the "Florsheim Shoe."

Klamath Falls is going to have the greatest celebration on the Fourth of July she has ever had. We will outdo them all. Come, come, come, and have the time of your life. Everybody welcome at

These gentlemen have been in the city for several weeks for the purpose of interesting local capital in the erection of a modern hotel building on the Hamaker property, corner Third and Main streets, but those of the city who have money could not see their way clear to make the investment.

BIG FIRE AT FORT KLAMATH

FORT KLAMATH, June 16.—A special from Fort Klamath states that at 12 o'clock today a fire destroyed the sawmill belonging to Utter & Burns. They have just lately installed a lot of new machinery, making it an up-to-date mill, cutting about 25,000 feet per day. The fire is thought to have started from the sawdust pile while the men were at dinner. The lumber was saved, but the mill is an entire loss.
