

MANY WITNESS PUBLIC WEDDING

CROWDS SEE EDDYTHE TAYLOR
AND MR. HANSEN MARRIED

HARRY GOELLER WINS BOAT RACE

Parade and Indian War Dance Com-
plete an Excellent Fourth
Celebration

The Fourth of July celebration which the committee had prepared for the entertainment of the citizens of Klamath Falls and the visitors ended Tuesday night with a brilliant illuminated parade and a public wedding as well as a war dance by a number of Klamath Indians near the dance platform on the courthouse grounds.

The Indians who took part in the war dance were Miss White, Mrs. White, Mrs. Williams, Mrs. Weeks, Mr. Burnside, Chief Minnerum, Prim Weeks and Jack Ryan. The dance they executed was the Klamath war dance, and also the Warm Spring Indian dance.

The ball game scheduled for the afternoon did not take place, the S. P. nine not being able to be present.

At 4:30 in the afternoon the sports on Lake Ewauna began, under the direction of H. C. Telford, and they were as successful as was the carnival under his guidance the night before.

All the races were over a three-mile course, and the handicap race was won by Harry Goeller in 24 minutes and 23 seconds. There were three entries for this race, Harry Goeller, Alex Martin Jr. and Mr. Clark. The race was for a challenge cup held by Alex Martin Jr.

The free for all motor boat race, also for a silver cup, was won by Wilbur Telford in 29 minutes and 20 seconds. Mr. Clark was second.

The 16-foot motor boat race was won by the Telford boat, driven by G. Arnold, in 23 minutes. Goeller, Arnold and Whitlock were the contestants, and Whitlock got second place.

In the tub races the entries were Lloyd DeLap and Wilbur Telford, and Telford won.

The entries in the swimming race were Jerry Martin, Mr. Coffey, Mr. Knox and Mr. Craig. Martin got first and Coffey second.

The 10-yard dash was won by Holly Siemens, who took the prize of \$10.

The fat man's race was won by Guy Merrill, who received a fine hat from the K. K. K. Store.

The first prize in the boys' race, a pair of shoes from the Portland Store, was won by Louis Hoagland. The second prize, 50 cents, was captured by Finnie Kerr.

The prize for the girls' race, \$1, went to Karle Montgomery.

At 7 o'clock the members of the Klamath Falls band delighted the large crowd with an excellent program of musical selections from the stand on the courthouse grounds, and after the conclusion of this the dancing platform was thronged until the illuminated parade started, about 9 o'clock. Hundreds of men and boys with falsefaxes and redfire torches made the streets of the city look like a scene in a spectacular play, and when the float on which the Goddess of Liberty had ridden the day before, but which this time bore Mr. Hansen and Miss Eddythe Taylor, the couple who had volunteered to be married in public for the \$150 housefurnishing outfit which the merchants of this city had contributed, the crowds almost blocked the passage of the vehicle.

Directly opposite the courthouse E. B. Ramsby, who was driving the float, stopped the horses and the crowd immediately jammed the streets from Third to Fourth.

On the float with the bridal couple were Miss Roxa Shive, Agnes Marple, Ruth White and Ortha Schalllock, bridesmaids, and Kirk White, Arthur Livermore and Guy Merrill, groomsmen, while the ceremony, the Episcopal ring service, was performed by Justice A. D. Miller. The red glow from the torches and the thousands of eager faces formed a scene which neither the couple nor the crowd around the float will ever forget.

When the ceremony was over Ar-

thur Livermore was the first to kiss the bride, and Justice Miller started away without performing that important part of his official duties, but Guy Merrill called him back and informed him of his error, when he made up for lost time and placed a genuine Klamath Falls caress on the lips of the blushing bride, and some say he started to substitute one of the pretty bridesmaids for the bride, but this is an error.

The members of the committee which had charge of the celebration are entitled to the greatest credit for the high character of the entertainment provided, and they in turn wish to thank all who aided them in the work as well as extending their thanks to the residents of this city and the visitors who showed their appreciation of the celebration by their presence.

MANY PEOPLE SEE GEORGE L. PRICE

This Much-Wanted Man Pays the City
an Unexpected Visit

"Have you seen George L. Price?" This is the question that has been asked here times without number, but the general reply has been in the negative. Several men have seen him, among them some of the officers of the county, but they had no warrant for his arrest, and since San Francisco advised that no money would be forthcoming for his return, Price was permitted to go his way unmolested.

There is a letter on its way from San Francisco that is awaited with considerable interest. Whether it will contain any request for Price's detention or not is problematical, but if the San Francisco chief of police should request that Price be held it would raise a question that may be far reaching in its results.

When Price was re-arrested on the charge of selling lottery tickets and Attorney O'Neill walked into the office of the district attorney and informed that gentleman and the police officers and sheriff that if they undertook to kidnap Price he would prosecute every last man, even if he "had to go under the bed to get them," it caused some of them to hesitate. After Price's deportation and it was rumored that Mr. O'Neill was going to make good his statement of the night before, an investigation was made, when it was discovered that he was standing on pretty solid ground. The news of Price's escape and his subsequent return to this city is believed to be a part of O'Neill's plan of campaign. Should Price be again arrested the question that arises is, will the officers pursue the same course as before, or will they hold him to await the action of the grand jury? If Attorney O'Neill is figuring on using Price to prosecute the officers that he threatened to "go after" it will mean a fight that will shake the city, and may kick up a disturbance that will be far-reaching in its effects.

EXCURSION STEAMER GRAND REPUBLIC BURNS

Catches Fire While Coming Through
the Narrows—Passengers Are
Saved

NEW YORK, July 6.—The excursion steamer Grand Republic caught fire coming through the Narrows. Tugs and pleasure and fire boats rescued all the passengers while the steamer dashed for the shore sounding her siren.

The Grand Republic is a sister ship to the General Slocum, which burned a few months ago while on her way to one of the Eastern resorts bearing a large number of women and children who were going to a Sunday school picnic. It was discovered that the life preservers on the Slocum were useless, and there was a great deal of scandal about the fitting of the Slocum and the various excursion boats that ply the waters in the vicinity of New York. Many lives were lost when the Slocum burned.

MIDDLETOWN, Ohio, July 6.—Twenty-one is the number of dead in the Big Four Twentieth Century train wrecked Monday.

One unidentified body was recovered yesterday. Thirty were seriously injured and are lodged in hospitals and hotels. The total fatalities probably will be unknown for days. The cause of the wreck is unknown, but it is believed to have been caused by a confusion of orders.

MAY PROHIBIT MOVING PICTURES

GENERAL MOVEMENT THROUGH-
OUT COUNTRY AGAINST THEM

PROMOTERS MAY LOSE HEAVILY

Many Cities Have Prohibited the Ex-
hibition of the Pictures of the
Big Fight

United Press Service.

CHICAGO, July 6.—A movement looking toward prohibiting the exhibition of the motion pictures of the Jeffries-Johnson fight is sweeping the country today. Many cities east and south have already prohibited them because of the fear of the recurrence of the race riots that occurred following the announcement of Johnson's victory.

Washington, St. Louis, Des Moines, Lincoln, Detroit, Houston, Atlanta, Cincinnati, Los Angeles and Johannesburg, South Africa, have prohibited the exhibition of the pictures, and Kansas City, Denver and San Francisco have refused to allow the reels to be shown in the theaters of those cities.

In Chicago the pictures will be shown, but there are restrictions placed on their exhibition that are expected to reduce the probability of trouble resulting.

Philadelphia, New York and New Orleans, however, will allow the pictures to be shown.

If the efforts to stop the exhibition of the pictures throughout the country are successful the owners of the pictures and those interested therein will lose heavily. It was expected that the profits from this feature of the contest would be in the neighborhood of a million dollars, but if the agitation continues these figures will be materially reduced. In any case, the profits will be greatly lessened.

SAN FRANCISCO, July 6.

Churchmen of this city are preparing to proceed against the exhibition of the Jeffries-Johnson motion pictures here, under the municipal ordinance making it a felony to display pictures of crime. They hold that Governor Gillette prevented the fight on the grounds that it was a felony, and therefore, the reproduction through moving pictures would be displaying a crime. Undoubtedly Mayor McCarthy and a majority of the supervisors will favor the exhibition. District Attorney Fickert will probably contend that the pictures simply display a contest which occurred in Nevada, where it was not a crime.

Representatives of the mayor today stated that the board of censors, whose duty it is to suppress moving picture shows, will probably act on this question. It now appears likely that the censors will bar the pictures.

JOHNSON'S BLOW MAY COST JEFFRIES LOSS OF HIS EYE

Optic Nerve Is Still Partially Par-
alyzed, But Doctors Hope It Will
Eventually Be Restored

United Press Service.

SACRAMENTO, July 6.—(On board James J. Jeffries special car)—Although efforts are made to keep the fact a secret, the blow Johnson delivered in the second round of his fight with Jeffries at Reno Monday, paralyzed the optic nerve of Jeffries' right eye, and possibly will permanently injure the white man's sight.

Jeffries made light of the blow at first, but it was admitted today that the right side of his face is still affected, and the sight in his right eye is deranged, the nerve is still partly paralyzed. Jeffries can see but indistinctly with his right eye. The doctors are hoping that he may eventually recover his sight.

The grand jury of Lake county will meet in Lakeview today for the purpose of considering the charges filed against Harrold, who is charged with the murder of the Newell boys. Immediately on the return of a true bill the trial of the case will proceed. No word has been received that would lead to the belief that Harrold will change his attitude about pleading guilty, and if he does so his case will be disposed of within a very short time.

LONDON PAPERS DEPLORE RIOTS

THINK THAT THE NEGROES ARE
TOO INSOLENT

JEFFRIES-JOHNSON FIGHT WRONG

Believe That Contests Between Black
and White Men Should Not
Be Permitted

United Press Service.

LONDON, July 6.—Deploping the race riots in America as a result of the Jeffries-Johnson fight, London papers excuse the disorders.

The Globe says: "Sympathy runs more to the man with the rope than to the blatant blacks. It is against human nature to expect the whites to accept the negroes' insolent assertion that Johnson's victory has established the superiority of the blacks. The Reno contest was the most injudicious ever permitted, and the racial effects will probably continue for years to come. Americans are trustees of the predominance of the white race over the blacks, we believe. We trust the American papers will deplore the white against black prize fights."

The Standard is shocked at the presence of women at the fight.

KLAMATH STARTED ON REGULAR TRIPS WEDNESDAY

Dock at Agency Landing Is Finished
and Warehouse Is Nearly
Completed

The steamer Klamath starts on her regular run Wednesday and will from now on make scheduled trips from this city to the Agency landing.

The dock at the landing at the upper end of the lake is finished, and a new warehouse is almost completed. Connection will be made with the auto line, which is to run through to Medford by way of Crater lake, and tourists can complete their journey from San Francisco to Portland by boat and auto through Klamath Falls, instead of going the entire distance by rail over the present main line.

By this arrangement they will be able to observe the wonders of Crater lake and lose but little time in so doing.

DAKOTA REPUBLICANS ENDORSE TAFT

Arraign Cannon and Praise President
for His Loyalty to Roosevelt
Policies

United Press Service.

SIOUX FALLS, S. D., July 6.—The republican convention in session here today adopted a platform strongly endorsing President Taft and arraigning Cannonism and Aldrichism. It commends Taft for his repeated declarations of loyalty to Roosevelt and his policies and for the substantial reform measures that have been written into the statutes of the United States during his administration.

AN EXPLANATION

The members of the Women's Library club learn with regret that the Fourth of July committee have an

impression that the erection of a dancing platform in courthouse park was opposed or objected to by the club. The executive committee, in behalf of the membership as far as is known, hereby deny that any such objection on their part was expressed or even felt. The mistaken idea of their position is the more regrettable and is thus noticed because the Fourth of July committee is composed of some of the most valued friends and generous patrons of the library.

KLAMATH FALLS TEAM BEATS WEED BASEBALL NINE

Gets the Better of the Visitors by a
Score of Seventeen to One in
Six Innings

The baseball game Monday afternoon between the nine from Weed and the Klamath Falls team was a "pipe" for the home nine. Weed shut out Klamath Falls in the first inning, and after that there was nothing to it but Cale's champions.

It was a fair game until the fifth inning, and then the fun began. Weed had been getting goose eggs every inning after the first, and Falls had made but two runs in the second, but in the fifth the local boys made up for lost time. They started out to do things, and they did.

Eight runs were chalked up to their credit, and when they scored seven more in the next inning it was all off. The game was called at the end of the sixth inning.

Following is the lineup:

Klamath Falls—Mohr c., H. Siemens p., C. Arnold 1b., J. Ball 2b., Ambrose 3b., O. Arnold ss., J. Siemens lf., Houston cf., Shive rf.

Weed—Conrad c., Wohl p., Baker 1b., West 2b., Souza 3b., Prange ss., Shastine lf., Larsen cf., Dickey rf.

Score by innings:

Klamath Falls.....0 2 0 0 8 7—17
Weed.....1 0 0 0 0 0—1

Summary—Two-base hits—Siemens, Ambrose, Shive. Stolen bases—Mohr 2, C. Arnold, O. Arnold, Larsen 2. Struck out—By Siemens 5, by Wohl 5. Hits—Klamath Falls 16, Weed 6. Bases on balls—Off Siemens 2; off Wohl 1. Batteries—Weed—Conrad and Wohl; Klamath Falls—Mohr and H. Siemens. Umpires—O. French, Carl Baer.

WANT PICTURES OF THE FIGHT STOPPED

United Press Service.

BOSTON, July 6.—The Christian Endeavor officials here are sending telegrams to the governors of the various states and mayors of the principal cities containing in substance the following:

"Race riots and murders have already followed the announcement of Johnson's victory. The moving pictures will create more violence. Will you join in an effort to prohibit the exhibition of the pictures of the fight? Help save the young people from a demoralizing show."

SOBORTO, Me., July 6.—The funeral services this afternoon at the funeral of the late Chief Justice Brewer were as simple as the life of the eminent man whose interment they were marking. A score of men prominent in the world's activities were also present to witness the services and show their respect for the great jurist.

MCCARTHY REFUSES TO PERMIT PICTURES TO BE SHOWN

United Press Service.

SAN FRANCISCO, July 6.—Mayor McCarthy announced this afternoon that he would not permit the fight pictures to be shown here. He said the Reno contest had proved to be a prize fight, and therefore the pictures would be as unlawful as the fight itself.

HOT ASHES CAUSED FIRE

Carelessness in throwing a lot of ashes near the shed in the rear of the Central cafe on Tuesday caused an alarm of fire to be sent in. When the department responded it was found that the blaze was under control. It was started by some one throwing ashes which contained live coals on some inflammable material, and for a time it looked as though a serious fire would result. The damage was slight.

FORT WORTH PROHIBITS EXHIBIT OF FIGHT PICTURES

United Press Service.

FORT WORTH, Tex., July 6.—Fearing riots as the result of an exhibition of the Jeffries fight pictures here, the city commission has directed the corporation counsel to prepare an ordinance prohibiting the showing of the reels in Fort Worth.
