CANNOT HAVE A SALOON AT WEED

WEED, July 12.—The board of supervisors at Weed today rejected the application of the Weed Lumber company for a liquor license permit for a saloon here. Last year the board limited the number of saloons in Weed to six. At that time there were seven, but a short time ago one of the saloons went out of commission, and Weed has only had the limit—six.

The Weed Lumber company made application to the board at the present meeting for a liquor license permit, but as the board had heretofore made an order limiting the number, and which order was sanctioned by the residents of Weed, it could not see its way clear to overrule its former order, and the application was rejected.

My back was so weak and painful that I was unable to stoop and I could not sleep well. I finally learned about Doan's Kidney Pills and procured a box. In less than two weeks after using them I was greatly helped, and I was soon in good health. I have recommended Doan's Kidney Pills to a great many people since they cured me."
