just cause are familiar to all of us.

Many unwise things are done and

many unwise measures are advocated

in the name of conservation, either

inevitably leads many men, friendly

to conservation and believers in its

general principles, to assume that in

a check upon progress. Nothing could

gratulate ourselves on this marvelous

progress; but there is no reason for

In the beginning the special inter-

ests, who are our chief opponents in

the conservation fight, paid but little

neither understood it nor saw that if

it won they must lose. But with the

progress of conservation in the minds

of the people the fight is getting

sharper. The nearer we approach to

victory the bitterer the opposition

the need for caution and watchful-

ness. Open opposition we can over-

come, but I warn you especially

against the men who come to con-

gresses such as this, ostensibly as

disinterested citizens, but actually as

of any corporation, interested in the

deliberations of a meeting such as

by its openly accredited agent's views

have in mind. But I condemn with

equal readiness the appearance of a

corporate agent before any conven-

the patriotism of our whole people.

The nation wisely looks to such gath-

erings for counsel and leadership.

movement which it represents.

Conclusion

It is our duty and our desire to

make this land of ours a better home

frankly as such.

believing that the fight is won.

ment.

HEAVY VOTE IN MICHIGAN'S FIRST PRIMARY KLECTION

DETROIT. Mich., Sept. 7 .--- A through ignorance or by those whose heavy vote was cast in Michigan's interest lies not in promoting the first general primaries. A desperate movement, but in retarding it. For fight is being made for the senate by example to stop water power devel-Julius C. Burrows, the regular, and opment by needless refusal to issue Townsend, the insurgent. Kelly and permits for water power or private Osborne are running close for the irrigation works on the public lands nomination for governor.
