

OCT. 13-22

Harvest Festival and BARGAIN WEEK

NEXT DOOR TO
POSTOFFICE

Commencing Thursday, October 13th, at 6 P. M.

LAST YEARS' SUCCESS

Last year's success was great, but this year we are going to make it a Banner Week. Larger stocks to select from and bigger Bargains at greatly reduced prices.

It will be a Profit-Sharing Week. Come in and hitch your Dollars to our Bargains, and let them earn the biggest load they ever pulled.

\$150 IN PREMIUMS

This year we want a larger display than we had last year. If you have anything good in the line of agricultural products bring them to the Portland Store. Be sure to attach your name and address. We are going to give away \$150 in premiums. In addition to having a chance to win a nice premium you will be rendering the country valuable assistance in advertising its resources.

The Portland Store's Fair will begin on October 14th. Products should be brought in a day or two before this time. The Fair will be on until the night of October 22d. Exhibits will be received at any time, but it is preferred that all displays be brought as early as possible.

We have the largest line of Rubber Boots and Shoes in Klamath Falls, and are the only store having the exclusive agency for "The Ball Brand" of Rubber Boots and Shoes, a rubber company which does not belong to the trust.

SPECIAL BARGAIN WEEK

The Portland Store urged the business men to hold a Special Bargain Week this fall along the same lines as was done last year. The efforts made by the Portland Store were not successful. Regardless of the fact that the other merchants would not join in a Special Bargain Week, the Portland Store is going to have a joint Agricultural Fair and Bargain Week of its own. It is the policy of the Portland Store to show appreciation of all patronage received. Therefore the out of town customers of this store will be given the opportunity to buy at greatly reduced prices for the one whole week.

In addition to giving our customers from Klamath and Lake counties the advantage of a Special Bargain Week, we have secured fifty standard phonographs to give away. Every customer making a cash purchase amounting to \$35 will be given one of these phonographs. The regular wholesale price of records is 60 cents, but during bargain week we are going to place them on sale at 50 cents each.

Remember the dates—October 14th to 22d, inclusive. Bring your exhibits early. Help us and we shall help you.
