BASEBALL PLAYERS GETTING INTO SHAPE FOR TRYOUTS

Practice Is Going on All Over the Town—Books of Tickets Are Now Being Sold

While Preliminary tryouts have not yet commenced, the candidates for berths on the Klamath Falls baseball aggregation are losing no time in getting their whips into shape for playing. They are utilizing every spare minute in showing over the benders and pulling the spheroid in from the clouds. In fact, you will find two or more playing catch on every side street. In addition to giving them their old time cleverness and accuracy, this practice also draws the "charlie horse" out of their joints and they will be ready to light into a vigorous practice and feel none the worse for it.

Books of ten tickets have just been printed, and members of the team are today calling on the business houses, offering them for sale. This is a much more commendable effort on the part of the boys to raise money than calling with a subscription list, as in this way the purchasers of the books get value received for their money, while at the same time the team gets money enough to purchase needed paraphernalia.

POSTMASTER IS CONSIDERING SUCH A PLAN

Orva French, the New Clerk, Will Begin Work on the First of Next Month

Orva M. French is the new clerk appointed, and he will take up his duties on April 1st. It is Mr. Emmitt's plan to have French remain in the postoffice nights distributing the mail, so the office will be opened earlier in the morning.

Paper Is at Mr. Rutenic's Law Office, and All Are Urged to Sign It

The list was drawn up Wednesday, but already there are several names attached thereto, among them names of men who have seen service in the Spanish American war and others who have had extensive military training. All of these are enthusiastic, and believe the organization of a company would be a big thing for the town.

The paper is at Mr. Rutenic's office, and anybody desiring to enlist is urged to sign as soon as possible, in order that the organization can be perfected as soon as possible.
