KLAMATH COUNTY

Acres
3,914,240
Merchantable Timber
Twenty Billion Feet

Over a Half Million acres Arable Land. The Klamath Reclamation Project and other Irrigation Companies will supply water to this Land, which excels in the production of Grain Crops and Sugar Beets. "Alfalfa is King", Clover, Timothy and other native grasses are prolific. Garden Truck grows to perfection. Nature has provided generously all conditions for stock raising. Poultry and Dairying guarantee a competent income. Farms of 40 and 80 acres splendidly adapted to intensified and diversified Cropping and Stock Raising are plentiful at most reasonable cost. Rural Free Delivery and Telephone Service is good and growing steadily. **GOOD ROADS.**

... Prosperous Towns and Villages ...
