

## CURRENCY BILL CONFERENCES TO START EARLY

THE REPUBLICANS ARE TO BE  
BAKED

Democratic Leaders Take the Stand  
That They Should Frame the Bill  
Without Hindrance From the Mi-  
nority—Resolution of Republicans  
for a Non-Partisan Consideration Is  
Downed by Big Vote, When It Is Up

WASHINGTON, D. C., July 9.—  
The banking committee of the house  
of representatives have decided to  
hold open and public committee meet-  
ings in regard to the currency reform  
measure, but the democratic confer-  
ences regarding the measure will be  
secret.

The committee by a straight party  
vote, defeated the proposal of the re-  
publican members for a joint non-  
partisan consideration of the bill.

The democratic leaders say the  
closed door policy is taken because  
they are responsible for the currency  
measure, and they insist on framing  
it without hindrance by the minority.

Fight Hand Organists  
United Press Service  
BERLIN, July 9.—The Berlin po-  
lice have declared war on the hand  
organ. There are about 200 "organ  
grinders" in Berlin. The police de-  
clare that the majority of them are  
strong enough to do real work, and  
that there is too much good music to  
be heard in the kaiser's capital to  
have one's nerves racked by hand  
organs.

## INJURED MAN IS AT INFIRMARY

MERRYMAN SAYS AGENCY DOC-  
TOR FAILED TO ASK FOR PER-  
MIT TO TAKE SALCIDO TO THE  
COUNTY HOSPITAL

Frank Salcido, a pioneer printer,  
who fractured his leg while working  
on the county road near the Klamath  
Agency a few days ago, is at the coun-  
ty infirmary. His injury was attend-  
ed to there Tuesday afternoon by Dr.  
Merryman.

Salcido was brought to this city  
Monday night by Dr. Riley from the  
Klamath Agency, and was taken to  
the infirmary. Superintendent Men-  
ner told the doctor that he should get  
a permit from County Health Officer  
Merryman to leave the injured man  
there, but instead of calling up Mer-  
ryman, Riley took Salcido to the  
Blackburn hospital. Tuesday he was  
moved out to the infirmary.

## YOUTH SUCSUMBS TO HIS INJURY

CLIFFORD RAMBO PASSES AWAY  
AT THE BLACKBURN HOSPITAL,  
FOLLOWING A FEARFUL ACCI-  
DENT

Clifford A. Rambo, the youth who  
was frightfully injured while working  
at the Ewauna box factory Monday  
afternoon, died Tuesday night at the  
Blackburn hospital. His right leg  
was almost severed at the thigh and  
foot, and death was due to the loss of  
blood and the terrible shock.

Young Rambo was born in Bush  
Prairie, Wash., June 15, 1898, and  
was the son of Dr. and Mrs. C. A.  
Rambo. In addition, he is survived  
by a sister, Miss Marie Rambo, who  
resides at Camas, Wash.

The young man graduated at the  
Central school last year, and would  
have entered the high school this  
year. He was active in scholastic  
athletics, and was a member of the  
Klamath Falls Military band.

Rambo had been working at the  
box factory a little more than a week  
when he was injured.

The funeral will be held Sunday  
afternoon at the Christian church.  
Elder Harlan will conduct the service.

J. O. Morrell of Ashland is a Klamath Falls visitor.

## ROAD TO SHIPPINGTON TO BE IMPROVED SOON

Shippington's long looked for im-  
proved highway to Klamath Falls is  
to be completed this year; Sixth street  
is to be completed from Commercial  
street to the city limits with macadam  
and crude oil.

These matters were decided upon  
at an informal meeting of the mem-  
bers of the city council, held at the  
city hall Tuesday night. At the gather-  
ing, City Attorney Rutenic was in-  
structed to prepare the necessary pa-  
pers for introduction at Monday's  
council meeting.

Instead of introducing an ordinance  
it was decided to introduce resolu-  
tions in both these street improve-  
ment cases. This, say members of  
the council, will expedite matters and  
allow the commencing of work in a  
very short time, so it can be complet-  
ed by winter.

The talk of the improvement of  
Tenth street from Main to Prospect  
street naturally caused the Fifth  
Ward councilman to make inquiry  
about traffic between Shippington and  
the main portion of town. This road  
is heavily traveled, and has been in a  
frightful condition for some time.

It was decided that work of improv-  
ing the road to Shippington will be  
started at the end of the Tenth street  
improvement work. The highway  
will follow for the most part the pre-  
sent roadway. There is a great deal  
of travel to Shippington at all times  
of the year, but especially in the sum-  
mer, when the tourist traffic on the  
Upper Lake starts.

## KNAPP vs. CITY SUIT ON TRIAL

ACTION BY THE CONSENT OF  
THE ATTORNEYS AND JUDGE  
BENSON

against the city was begun Wednes-  
day afternoon in circuit court. Fred  
H. Mills appears for the plaintiff and  
the city is represented by City Attor-  
ney Rutenic.

Knapp is suing the city for \$750.  
He claims this amount is due him for  
a set of plans for a city hall, which  
he drew at the instance of the late  
Mayor Sanderson and the city council.

The services of a jury has been dis-  
pensed with in this case, as the at-  
torneys and Judge Benson have  
agreed to settle by stipulation.

HANGING HIMSELF WITH A  
KNOTTED HANDKERCHIEF IN  
JAIL CELL

of many people, committed suicide in

himself. He used a knotted handker-  
chief to accomplish his end. Madison  
owned a china store in the block  
which carried \$16,500 insurance.

died at the county infirmary Monday  
night, death being due to general de-  
bility. The funeral was held Wednes-  
day morning.

Johnson has no known relatives.  
He was unmarried, and has been  
working on the Ankeny ranch. He  
was a blacksmith by trade.

Before coming to this city Johnson  
was a member of the life saving crew  
stationed at Astoria. He was also a  
member of the Portland fire depart-  
ment, and his death was indirectly  
due to injuries received in that ser-  
vice from which he never recovered.

## BULGARIANS TO SIGN A TREATY WITH THE FOES

CONTINUED REVERSES ARE RE-  
SPONSIBLE FOR PLAN

Estimated That Thirty-Five Thousand  
Bulgarians, Servians and Greeks  
Were Slain in Fighting Around  
Kochkana—More Than Two Hun-  
dred Thousand Troops Were on  
the Field of Conflict

VIENNA, July 9.—Dispatches to-  
day are to the effect that Bulgaria is  
ready to discuss peace terms with  
Servia and Greece.

This decision follows the series of  
reverses suffered by the Bulgarian  
army on the field against larger  
forces.

The details of the meeting have not  
been arranged yet. It is expected that  
an amnesty will be declared tomor-  
row.

It is estimated that 35,000 Servians  
Greeks and Bulgarians were killed in  
the recent fighting about Kochkana  
and Ishtip. The list of wounded is  
still larger. There were 200,000  
troops engaged in the battles.

The Servian army claims the victo-  
ries at both of these battles, saying  
that their troops occupy both cities.

Dispatches from Sofia admit that  
the Bulgarians evacuated both cities.

## DEATH CLAIMS MRS. M. TAYLOR

TROUBLES—REMAINS WILL BE  
SHIPPED TO CALIFORNIA FOR  
BURIAL

Henrietta Taylor passed away late  
Tuesday at her home in Hot Springs

testinal troubles, and for the past

red of. Mrs. Taylor came here three

here. She and her daughter, Miss

today began its hearings in the propo-  
sal that the government build a rail-

it is said, will open the vast coal fields

gate Wickersham, providing plans for  
the road.

hase has just returned from Arcata,

## MRS. SMITH IS GIVEN VERDICT

JUDGE BENSON INSTRUCTS JURY  
TO RENDER A VERDICT FAVOR-  
ING THE PLAINTIFF IN ACTION  
FOR DAMAGES

the verdict Tuesday in a suit against  
the Algoma Lumber company. Circuit  
Judge Benson instructed the jury  
to render a decision in her favor.

The suit involved the ownership of  
160 acres of land, partly timbered.  
C. M. O'Neill represented the plaintiff  
in the action.

Charles J. Holt is in from the  
Greenfields ranch on a business trip.

## MORE THAN \$100,000 SPENT DURING RODEO

A conservative estimate of the  
amount of money spent in Klamath  
Falls during the three days of the  
Elks Rodeo is given at between \$100-  
000 and \$125,000. This amount was  
arrived at after careful interviews  
with the leading business houses of  
the city and the banks, which handled  
the greater amount of the money. Of  
this amount it is estimated that be-  
tween \$40,000 and \$50,000 was out-  
side or foreign money.

All the merchants report an excep-  
tionally good business, and are de-  
lighted with the results of the big  
show. The extra business brought  
here as a result of the Rodeo has been  
a great relief to the merchants from  
the quietness that has been prevalent  
all over the county.

Naturally the greatest business was  
done by the hotels and restaurants.  
J. J. Keller of the Keller restaurant  
estimates that he fed on an average  
of 1,600 people each day during the  
three days show. Monday was a big  
day for the banks, as deposits came  
in so fast that the clerks were un-  
able to sort the money, and were  
compelled to wait until after closing  
hours to do so. The pleasing feature  
about the entire show was that it  
was a great financial and advertising  
benefit to the city, without the neces-  
sity of any donations from the busi-  
ness houses, as is usual.

## HORSETHIEF IS CAPTURED; HERE THIS AFTERNOON

BUNTING AND DURHAM TRAIL  
HIM DOWN

Owner of Stolen Animal and Merrill  
Deputy Sheriff, Starting After  
Mitchell Early This Morning After  
His Flight, Keep in Pursuit Until  
They Capture Him Near Montague.  
Low Goes to Merrill for Prisoner.

Doggedly staying on the trail for  
two days and nights, Deputy Sheriff  
Tom Durham of Merrill and Charles  
A. Bunting, a farmer near that city,  
succeeded on Monday in arresting Gor-  
gon Mitchell, who is charged with the  
larceny of a horse, a gun and some  
money from Bunting.

Mitchell was captured near Mon-  
tague, Calif. When he was arrested  
he was riding the missing horse.

The prisoner and the horse were  
returned to Merrill this morning, and  
Sheriff Low was notified. He left for  
Merrill to bring the prisoner to the  
county jail.

Mitchell, about 23 years of age, has  
been working for Bunting for a short  
time. Some time Sunday night he  
disappeared. At the same time a fine  
bay mare, a silver mounted bridle, a  
Colts revolver and a purse containing  
money, vanished from the Bunting  
ranch.

When the theft was discovered the  
following morning, Bunting notified  
Durham, and the two of them saddled  
horses and started on Mitchell's trail.  
Mrs. Bunting notified the authorities  
here, and they sent word through  
Northern California.

Late Monday afternoon Mitchell  
was reported near Grass Lake. Later  
it was learned that he was headed  
toward Weed, and the pursuers cap-  
tured him in the hills near Montague  
late Tuesday.

## CITY TO HAVE FOUR POLICE

There will be three patrolmen here,  
in addition to Chief of Police Smith.  
This was finally settled Monday night,  
when the council sustained the ap-  
pointment of M. M. Obenchain and  
H. S. Wilson by Mayor Nicholas as  
members of the force.

At first the council voted down the  
appointment of Wilson on the ground  
that three police officers were enough.  
Nicholas and Hamilton argued that  
this would not give adequate protec-  
tion in a city with such a transient  
population, and so scattered out. On  
a second vote Wilson's appointment  
was sustained.

ERIE, Pa., July 8.—Today was  
Children's Day in the 100th anniver-  
sary ceremonies commemorating the  
defeat of the British on the Great  
Lakes by Commodore Perry. Nearly  
12,000 children from the schools of  
Erie were in line. Each school had  
its own float drawn by boy pupils.
