

KLAMATH REPUBLICAN

KLAMATH FALLS, KLAMATH COUNTY, OREGON, THURSDAY, JANUARY 29, 1914.

FARM SECTION

A TYPICAL CALIFORNIA DAIRY HERD

Our illustration is typical of dairy scenes in California. The fine herd of Holsteins are truly "in clover," as their attitude and the growth of alfalfa under their feet would indicate. The extra fine points of the cow in the foreground are apparent at a glance, for she is a wonder and a grand champion of the Holstein breed, Riverside Sadie De Kol Burke, No. 70708.
