Succeed Himself.

duce someone to enter the race in familiar faces and objects. opposition to Judge Worden.

As the time for filing petitions gets shorter the possibility of securing a suitable opponent to the present incumbent seems to diminish, and it now looks as if Judge Worden would have the field to himself. It is not known just what the attitude of the judge is with regard to another term, but it would look as if he would be forced to run again.

There are many things started by the present court which remain unfinished, and the friends and sup-Judge Worden remain another term

the court house this year, as a large sportsmen. portion of the funds levied for this will not be available, on account of the tax being paid in warrants. There are several important pieces of road that cannot be finished

On the other hand, opponents to the present court have so far been unable to persuade anyone to make the run in opposition to Worden, and ier in the season in being able to find plenty of men, yet all prospective candidates so far have refused totake any chance at being the goat.

While Judge Worden refuses to
