LOCAL SKIRMISHING IN THE FIGHT TO MAKE OREGON DRY WILL START SUNDAY, WHEN THREE MEETINGS WILL BE HELD—CHAFIN TO ADDRESS THE STATE CONVENTION IN PORTLAND

Eugene W. Chafin

Eugene W. Chafin, candidate for president of the United States on the prohibition ticket in 1908 and 1912, and one of the best known temperance advocates in the country, will spend ten days in Oregon in the interests of the "out-to-win" temperance campaign now on in this state.

Chafin will open his Oregon engagement in Klamath Falls, holding three meetings here Sunday. Sunday morning he will hold a meeting at the Christian church; that afternoon there will be another lecture at Houston's opera house, and Sunday night the closing meeting will also be held there.

While in Oregon Mr. Chafin will be the principal speaker at the state prohibition convention, to be held in Portland. Chafin is one of the many speakers of national note being brought here by the prohibits in their fight to make Oregon dry.

Chafin has been identified with the temperance cause practically all his life. He is a lawyer by profession, a graduate of the University of Wisconsin, and the author of a number of

NEW FAMILIES REACHING BEND

THIRTEEN CARLOADS OF HOUSEHOLD GOODS ARRIVE THERE. MOST OF THE NEWCOMERS ARE WELL FIXED

Thirteen carloads of household goods, representing the belongings of fifteen families, have been received at Bend within the past few weeks.

Six carloads were received in February, and according to present indications April will break all records.

The newcomers are all families in good circumstances, with complete outfits of farming implements and supplies.

One farmer brought his own well drilling outfit, and among their other possessions is some of the best stock seen in Central Oregon.

LADIES TO HAVE "WESTERN NIGHT"

WHILE ELKS AND FRIENDS ARE AT THE OPERA HOUSE, WOMEN WILL ENTERTAIN AT THE ELKS' CLUB

The members of the Elks Lodge will not be the only ones to celebrate "Western Night" on Friday evening.

The lady Elks will not be content to remain at home while their husbands and brothers are out having a good time, so plans have been made for a "Western Night" by the ladies which will include the wives of the invited guests who will attend the Elks affair.

The Elks club rooms and lodge hall has been turned over for the exclusive use of the ladies on Friday evening.

Many novel stunts are being planned, and it is expected that the entertainment will rival the men's stag.

Every lady of the lodge is expected to be present, as the affair is for all lady relatives of members and wives of invited guests. Each lady attending is supposed to bring her lunch.

people, but cannot temporize with Huerta.

"I wish to reiterate with the greatest earnestness the desire and intention of America to respect in every way possible the sovereignty and independence of the Mexican people."

He said, "The feeling and intention of this government is not based upon policy. They go much deeper than that. They are based upon genuine friendship for the people of Mexico, and a profound interest in the establishment of their constitutional system of government. Whatever unhappy circumstances arise, this object will be held steadily in view, and will be pursued with persistent purpose so far as this government is concerned."

"But we are dealing with facts. Whenever or wherever the dignity of America is flouted, its international rights or the rights of its citizens invaded where it has a right to exercise it, this government will deal with those actually in control."

"Right now, the government is dealing with General Huerta within the territory he controls. That he does not rightfully control does not alter the fact that he DOES control it. These, though, do not lawfully represent the people of Mexico. We rejoice in that fact, because our quarrel is not with the Mexican people. We have no desire to dictate their affairs, but we must enforce our rightful demands."

This followed an ultimatum by Carranza, head of the constitutionalists government, last night, in which he declared that the Vera Cruz landing was an invasion, and was an attack which would involve all of Mexico in war against the United States.

D. Haywood, the I. W. U. leader. "Better be a traitor to your country than a traitor to your class," he said. "If war seems certain, the Workers will simply fold their arms, and there will be no war."

MONSTER BRUIN KILLED TODAY

BEAR WEIGHING NEARLY 400 POUNDS WAS BEING ROPED FOR THE MOVIE MEN WHEN IT ATTACKED DOG

The carcass of a bear, weighing 325 pounds, is attracting much attention at Crisler & Stilts Palace market this afternoon. The animal was killed by Douglas Puckett, near Round Lake.

Puckett and J. V. McTimmonds, a well known hunter and guide, were attempting to rope the bear for use in wild animal motion pictures, and one of their bear dogs got too close to the wild beast. The bear attacked the dog, and was tearing it with its paws when Puckett shot it to save the dog. The bear meat is to be placed on sale.

GOWEN-MORRIS

In the presence of a number of friends assembled at the new home of the couple on Fifth and Jefferson streets, Rev. J. S. Stubblefield, at 6:30 Wednesday afternoon, performed the ceremony which united Miss Ruth L. Morris and Edmund W. Gowen Jr. in the bonds of matrimony. Following the ceremony, an elaborate wedding dinner was served.

Both of the contracting parties are held in high esteem in Klamath Falls, and they are especially popular with the young people. The bride came here from Ashland two years ago, and until her marriage was connected with local law offices as stenographer. She became a favorite from her advent here.

The new benedict is a Klamath county product, and he has resided here practically all of his life. He is the son of Judge and Mrs. E. W. Gowen, pioneers in the Klamath Basin. For several years he has been connected with Van Riper Brothers' grocery. He is prominent in local circles, and has a wide circle of friends who wish he and his bride happiness and prosperity.

AUSTAD AWAY, BUT IS STILL RUNNING

THE SOCIALIST CANDIDATE FOR MAYOR TAKES WIFE TO ARIZONA, BUT SAYS HE IS IN THE FIGHT

John Austad, socialist candidate for mayor, left this morning for Tucson, Arizona, with Mrs. Austad, in the hope of relieving her bronchial trouble. A short time ago she went to Oceans, Calif., but failed to find relief.

Before leaving Mr. Austad made the following statement to the voters of Klamath Falls:

"Am accompanying my wife to Arizona, where she hopes to find relief from bronchial trouble. I shall return as soon as possible. If elected to the office of mayor of Klamath Falls, I shall certainly be here at the proper time to qualify for that office."

Farmer Wants to Hear More of Market Day

Editor Herald:

What is the matter with the public market day?

Why so much talk during the winter about it?

Is it because there are too many grocerymen members of the Chamber of Commerce?

Or does Judge Worden want to build us a brick public market near the new court house in the Hot Springs addition?

A public market could be instituted with none or little expense.

Any vacant block would be good enough to start on, and it would keep some money in the country, decrease the cost for local produce to the consumer, and get the farmer some cash.

We farmers are past the stage where talk or a sob will keep us satisfied. We want action. We are paying the taxes in this county.

Give us what we have got to have, or the election will show our disapproval. ONE OF MANY. Midland, April 23.

CONSIDERING A HOSPITAL HERE

SISTERS LEAVE HERE VERY ENTHUSIASTIC, AFTER INSPECTING PROPERTY AND INTERVIEWING PEOPLE

Mother General Layoisa of Philadelphia, head of the Order of St. Francis, and Mother Mary Kilian of Pendleton, head of the order in Oregon, left this morning after a visit to look after their property interests here.

The sisters are very favorably impressed, and upon her return to Philadelphia, the mother general will take up the advisability of erecting a \$400,000 hospital on their property in the Fairview addition. This would be similar to the Pendleton hospital, and would contain forty beds.

There is also a possibility that a school may be built on the property adjoining, which is owned by the order. The Order of St. Francis also owns farm property close to Klamath Falls.
