CORNER MAIN and SPRING STS.

United Press Service
JAUREZ, April 30—The campaign of General Villa to sweep the Huertistas from Northern Mexico will not halt because of mediation. Carranza does not consider the proposal of an armistice between his troops and those of Huerta.
 This statement was given the United Press in answer to an inquiry regarding dispatches from Washington, with a plan to halt firing in Northern Mexico, pending mediation.

MARINES LEAVE VERA CRUZ, GEN. FUNSTON CONTROLS

VERA CRUZ, April 30—The formal transfer of control of this city from the naval officers and marines to General Funston and the Fifth brigade of the army was made at 2 o'clock this afternoon.
 With the colors unfurled and the bands playing, the marines, bluejackets and troops marched in parade to the plaza, where they passed in review before Admiral Fletcher and

General Funston and their staffs.
 The bluejackets then went aboard their ships, while the troops cheered and fired a salute.
 General Funston is occupying the quarters formerly used by General Maas, the federal commander.
 The infantry and artillery began relieving the navy forces from their positions as soon as possible after landing this morning.
 The "snipers" driven from the city are now terrorizing the farmers and gardeners, threatening them with death if they furnish food to the Americans. As a result there is a shortage of farm products here.
 To meet this it is reported that General Funston will ask permission to extend his lines twenty miles further beyond the city.

Alex McRae, of the Western Pacific Land and Timber company, is here from Rhilander, Wis., looking after the company's Klamath county interests. Mr. McRae visits Klamath every year, and has a wide circle of friends here.
 To do away with thresholds under doors in residences there has been invented a hinge which slightly raises a door as it is opened, lowering it against the carpet when it is closed.

MUNICIPAL ELECTRIC PLANT IN CLEVELAND

CLEVELAND, May 1—The city of Cleveland—home of 3-cent street car fares, and other progressive municipal advantages—today began furnishing its "customers," residents of Cleveland, with electricity at 3 cents the kilowatt hour.
 The regular price charged by corporations is 10 cents. At the start 40,000 "customers" can be supplied.
 Two big municipal electric-making plants turned their wheels today for the first time.
 Backers of the project are confident it will mean private corporations must be forced down to the same price.
 The making of electricity for sale to its residents is by no means new to progressive Cleveland. For several years enough electricity has been made to supply 4,000 people.
 Eventually, city officials declared today, Cleveland will furnish electricity for every home in the city unless private corporations come down to Cleveland's 3-cent charge.

New Institute for Pittsburg
PITTSBURG, May 1—Work was begun today on the buildings of the new Hebrew Institute of Pittsburg, on a recently acquired plot in Wylie avenue, near Green street. About \$40,000 was subscribed for the institute, which, at its opening will have class room accommodations for about 600 pupils.
 Many New Rates Effective
WASHINGTON, D. C., May 1—Many commodity rates lower than the existing ones went into effect upon the Interstate Commerce Commission order today, between Chicago, Mississippi and Missouri River points to Denver and Colorado common points.

Saturday afternoon Al Crystal, proprietor of "The Second Class Saloon," was arrested by Constable John Schallock upon a warrant charging him with larceny by baillee.
 The complaining witness is Thomas Love. He alleges that he entrusted a thousand dollars to Crystal's care, and is unable to get it returned.
 Crystal's bonds have been fixed at \$3,000 by Justice of the Peace Gowen. His hearing is set for 2 o'clock Wednesday afternoon.

Mr. and Mrs. Terwilliger, Miss Marjorie and Miss Guineve Terwilliger atoned up from their home in the Merrill Valley this morning for a days shopping in the county seat.
Dr. C. O. Prentiss will leave in the morning for Roseburg, where he will locate in the practice of his profession. He has been associated with Dr. G. C. Mitchell for the past few months.

HUERTA FOREIGN MINISTER RESIGNS

MEDIATORS SAY THEY ARE NOW MAKING TANGIBLE GAINS IN THEIR PROGRAM
O'Shaughnessy Will Reach Washington Thursday to Confer With Secretary Bryan and President Wilson—Chaotic Conditions in Mexican Capital Are Indicated by the Rojas-Huerta Fuses.
VERA CRUZ, May 2—Foreign Secretary Rojas today tendered his resignation to Huerta. This is regarded as a confirmation of the stories of dissatisfaction in the capital.
 It is understood that Rojas was not in accord with Huerta's refusal to salute the American flag. Huerta requested the resignation yesterday.

WASHINGTON, D. C., May 2—Mediation is assuming definite shape. It is understood that the arbitrators are hopeful of reconciling the differences concerning Huerta, but they are silent regarding Carranza.
VERA CRUZ, May 2—The food problem is becoming serious. It is impossible to obtain fruit, milk and butter at the hotels.

WASHINGTON, D. C., May 2—Embassy Secretary Nelson O'Shaughnessy, who has been in Mexico City, is expected in Washington Thursday to confer with Secretary Bryan and President Wilson.

Mr. and Mrs. Terwilliger, Miss Marjorie and Miss Guineve Terwilliger atoned up from their home in the Merrill Valley this morning for a days shopping in the county seat.
Dr. C. O. Prentiss will leave in the morning for Roseburg, where he will locate in the practice of his profession. He has been associated with Dr. G. C. Mitchell for the past few months.

BONANZAITE IS ARRESTED AS AN ARSON SUSPECT

WARRANT IS ISSUED FOR HIS WIFE ALSO
Hugh Clopton, Well Known Resident of Bonanza, Is Arrested on Suspicion of Starting the Fire, in Which He lost His Furniture—Many Appear to Go on His Bond for Release From Custody.
Charged with setting the fire which swept Bonanza this winter, Hugh Clopton, a respected resident of that town, was arrested Friday night and brought to Klamath Falls. James Driscoll and Allen Sloan went on his bond, and he was released, to appear Tuesday for a preliminary hearing before Justice of the Peace Gowen.
 The arrest of Clopton created much surprise here, as it was known that as a result of the fire Clopton lost all of the postoffice furniture, which he owned and which was not insured. The furniture was to be sold the next day to John Horn, the new postmaster.
 When the news of his arrest was circulated, many local friends rushed to go on his bonds and to assist him in any other way possible.
 In addition to the arrest of Clopton, Mrs. Clopton is also to be arrested. Constable John Schallock left today for Lakeview with a warrant for her. Mrs. Clopton was postmistress at Bonanza at the time of the fire, and the fire originated in the postoffice.
 On Saturday afternoon Prosecutor John Irwin left for Bonanza and Langley Valley to summon witnesses, and make investigations before the preliminary hearing.
 Just what the evidence is against the Cloptons is not known locally. The arrest, it is understood, was made at the instance of a Mr. De Hay, an itinerant blacksmith, who started some sort of an investigation at the time the citizens of Bonanza offered a reward of \$1,000 for the arrest and conviction of the person who started the fire, if of an incendiary origin. De Hay is said to have threatened to sue for pay for the time he had put in while acting as a detective on the case.

Mr. and Mrs. Terwilliger, Miss Marjorie and Miss Guineve Terwilliger atoned up from their home in the Merrill Valley this morning for a days shopping in the county seat.
Dr. C. O. Prentiss will leave in the morning for Roseburg, where he will locate in the practice of his profession. He has been associated with Dr. G. C. Mitchell for the past few months.

—and the "Dippy Dippers" held a joint session at the swimming tanks Friday night. The regular "Dippy Dippers" night is Monday night, but the arrival of new bathing costumes for ladies of both clubs was an excuse for joint celebration. More new suits are expected by next meeting night. A circle two-step in four feet of water was one of the many special features put on for the occasion. Those splashing were Mrs. E. B. Hall, Mrs. Mary A. Jackson, Miss Marjorie McClure, Miss Dorothy Weeks, Miss Pearl Delaney, Will H. Bennett, Lawrence Mahaffey, Harold Kinnear, Cecil Weeks, Andy Collier, Dr. C. E. Wheeler, Warren Dahl and Herbert Barry.
 The Auction Bridge Club is being entertained this afternoon by Mrs. Silas Obenchain.
 Members of the U & I Club enjoyed a lawn party last night at the home of Mrs. Clara Calkins. The lawn at the Calkins home was decorated with Japanese lanterns, and dancing and games were greatly enjoyed by the young people. At a late hour a dainty luncheon was served. Attending were Miss Margaret Worden, Miss Claudia Spink, Clara Calkins, Maybell and Pearl Leavitt, Marjorie Delzell, John Houston, Ernel Stearns, Graham Kiehl, Earl Everett, Howard Winward and Tom Delzell.
 If the devotees of the Terpsichorean muse have not indulged in dance steps to a satiety, it has not been because of lack of opportunity. Every night this week there has been one dancing party, in addition to a few small private parties. Monday night the White Pelican was the scene of a dance given by the choir of Sacred Heart church, which was largely attended. Tindall's orchestra furnished excellent music for this occasion, and the numbers were repeatedly encored.
 Klamath Falls Lodge Loyal Order of Moose held its final April dancing party, and this proved as enjoyable as any of the winter series. Thirty or forty attended the Wednesday night informal party at the White Pelican, when the tango and some of the new dances were indulged in. The following night the Ladies of Grace Episcopal Guild gave their dance at the hotel, and the crowd in attendance was just enough for comfortable dancing, all entering with zest into the spirit of the evening. At Mills Addition hall Friday night the Mills Addition Club gave a dancing party. These dances are given twice a month. This evening the dance in I. O. O. F. hall given by the entertainment committee of that order, promises to be another joyful occasion.
 An enjoyable meeting of the Happy Hour Club was held Tuesday afternoon at the home of Mrs. Robert A. Emmett, there being present Mrs. Curtis Heidrich, Mrs. R. J. Sheets, Mrs. Sam Summers, Mrs. Loy Hilyard, Mrs. R. C. Shipley, Mrs. Floyd Mundy, Mrs. H. J. Winters, Mrs. Charles Martin, Mrs. W. P. Johnson, Mrs. K. D. North, Mrs. G. V. Walters, Mrs. Harry Steinmetz, Mrs. Will Wilson, Mrs. Will Houston and Mrs. Emmitt. The next meeting of the club will be entertained by Mrs. John H. Hamilton.
 The "Splash" Club—so called on account of the amount of spray kicked up by Will Bennett's diving stunts

It's a Daughter.
 The proud and haughty manner affected today by Edmund M. Chilcote, and his inability to attend to his real estate business properly are occasioned by the arrival of a daughter at the Chilcote home Friday night. The youngster weighs 8½ pounds.
"Doc" Coming Back.
 Z. C. Powell, accompanied by his brother and sister-in-law, left Sacramento Friday in his machine, bound for Klamath Falls, according to word received from him by local friends. The brother intends to locate here.

International Harvester Cream Separators

The IHCLINE GRAIN AND HAY MACHINES
 Mowers, Reapers, Headers, Harvesters, Rakes, Stalkers, Hay Loaders, Hay Presses, CORN MACHINES, Planters, Pickers, Binders, Cultivators, Soilage Cutters, Shellers, Shredders, TILLAGE, Png. Spring Tooth, and Disk Harrows, Calibrators, GENERAL LINE Oil and Gas Engines, Oil Tractors, Mower Separators, Cream Separators, Farm Wagons, Motor Trucks, Trailers, Grain Drills, Feed Grinders, Knife Grinders, Blade Trivia

A DAIRY farmer who does not use a cream separator is losing up to \$15 per cow per year. Complete your dairy equipment by the purchase of an International Harvester cream separator—Lily, Bluebell or Dairymaid. These separators skim closely—leaving barely a drop of cream in a gallon of milk—and they will do it for years. These machines are furnished with pulleys for the use of power. Belted to a small I H C engine, you have the best outfit it is possible for you to buy. Note the low supply can on I H C separators, the height of the milk spout which allows a 10-gallon can to be used for the skim milk, the strong frame with open base which can be kept perfectly clean, and the dozen other features which make these I H C machines the best.
 Your local dealer should have one of these machines on sale. If he has not, write us before you buy and we will tell you where you can see one; also send you an interesting book on separators.
