MAKES FIRST TRIP OF SEASON
ROUND UPPER LAKE IN FORD

With the usual optimism of the beginner, Attorney E. L. Elliott, who has been driving his new Ford car less than a month, Thursday made the trip 'round the Upper Lake, being the first driver to take a car around in 1914. With him as guests on the initial venture were Captain J. P. Lee, Tom B. Watters and Warren Duhl.

The roads were excellent all the way around with the exception of a short stretch of road between Long Lake and the connection with the road to Round Lake. This road has not been dragged since the winter snows and rain, consequently the washed out ruts make the going very bad.

From Fort Klamath to Rocky Point, Pelican Bay Lodge and Long Lake the roads are like a boulevard, with one or two soft places where the snow is just disappearing.

Mr. Elliott drove over the exact course of the proposed 'round the lake endurance contest for stock cars, and is now an enthusiastic booster for the contest.

"If there is a more suitable course for an endurance run, I don't know of it," said Mr. Elliott.

"While the roads are good, considering the hills and mountains traversed, they are steep enough in places to keep the best drivers busy at the wheel. It seems to me the course is an ideal one for such a contest."

FEW CHANGES ARE MADE
IN LIST OF GRADE TEACHERS

Work of selecting the teachers for the grades has been practically completed for next year by the school board. There are a few more being considered.

R. H. Dunbar is retained as city superintendent, which position he has so efficiently and zealously filled for several years. Miss Gall Ross also retains the principalship of the Central school.

The principal of the Riverside school next year will be Miss Winnifred Winnard, whose parents reside in Langdon Valley. Miss Winnard is at present teaching in the Central school.

T. A. Barton will be the principal of the Shippington school, and Miss Gross of the Mills school. D. C. Morris of the manual training department, and Miss Clara Elmer of the domestic science department, will again conduct this work in the grades.

The grade teachers selected thus far are: Alice Pool, Rachel Manneman, Claudia O'Laughlin, Mary E. Stewart, Augusta Parker, Nellie McAndrews, Pearl Talley, Lulu Wattenburg, Mrs. T. A. Barton, Lois J. Myers and Laura Bice.

Miss Wattenburg of Monmouth is a sister of Robert E. Wattenburg of this city. Several instructors now employed did not make application for another term.

Attorney D. V. Kuykendall is confined to his home by a serious attack of neuralgia.

GENERAL STRIKE
IS NOT TO START,
SAY UNION HEADS

GUNMEN ARE BITTERLY SCORED
BY OFFICIALS

Instead of Calling a General Strike of Half a Million Miners, Executive Board Favors the Other Men Keeping at Work, to Provide the Sinews for the Capital-Labor War Now on in Colorado.

INDIANAPOLIS, May 8.—The executive board of the Western Federation of Miners, in session here, has decided not to call a general strike of the 500,000 members of the organization.

They say it is better for the miners outside of Colorado to remain at work in order to better finance the Colorado strike for one year or ten years.

The officials received the story of the strike today, blaming the violence on the operators and "vicious gunmen."

MT. LAKE NEWS NOTES

MT. LAKE, May 8.—The Ladies Aid Society of the Mt. Lake church met at the church Wednesday. The women are making comforters to fill orders, and will meet next month with Mrs. Herbert Phillips.

The Country Needle Club will meet with the Misses Latta on Thursday, May 14th.

Rev. Stubbfield and wife made a short call on Theodore Case and family Wednesday.

The pupils of the Mt. Lake school had a picnic by the river Tuesday after school. Miss Jessie Belford, their teacher, supervised the bonfire, where they roasted potatoes and marshmallows. It was a happy time for the children.

Mr. and Mrs. E. S. Phillips will move to Klamath Falls this week, and Mr. and Mrs. Herbert Phillips will move onto the ranch. Mr. and Mrs. E. S. will be greatly missed in the community.

John Koontz, Herbert Phillips and A. D. Addison took their colts to Mr. McCormick's, where they will pasture them this summer.

Mr. George Avery, a student of Princeton University, in New Jersey, is expected here next week. He will have charge of the Mt. Lake church for the summer, and also will preach at Midland.

The boys and men of the Mt. Lake Sunday school and the neighborhood met at Mr. McClellan's store Saturday evening and organized a baseball club. Floyd McMillan is elected manager and Austin Case secretary and treasurer. Plans were made for getting the grounds into shape.

Keep the Girls Away.

The directors of the First National bank are highly elated over the efficiency gained by the installation of colored windows on the Fourth street side of the bank. This makes it impossible for young ladies to congregate there and watch Andrew Collier at work, and keeps the eyes of Or Campbell and Johnnie Moore more on their tasks.

Four more local men have just been added to the ranks of auto enthusiasts. These are Leslie Rogers, Professor W. E. Fought, C. B. Clendenning and Gerry Cozad. All have purchased Overlands.

MAYO WANTS TO
SEND TROOPS TO
THE OIL FIELDS

OWNERS OF THE PROPERTY ASK
PROTECTION

Following This Announcement Huerta States That He Will Withdraw From the Mediation Proceedings if the Troops are Landed at Tampico. Two Oil Wells Were Burned Yesterday by the Mexicans.

WASHINGTON, D. C., May 8.—Despite denials by official sources, it has been learned that Admiral Mayo, through Admiral Badger, has requested that American troops occupy the oil field territory. This is for protection purposes only.

Secretary Daniels of the navy department this afternoon submitted to the cabinet a long report on the oil field situation.

The diplomats have learned that two oil wells were burned yesterday. Following this, delegates representing the oil interests called upon Bryan to demand protection.

WASHINGTON, D. C., May 8.—A threat by Huerta to withdraw from the mediation proceedings was received, following the recommendation of Admiral Mayo to land troops and guard Tampico property.

Huerta, through Ruiz, sent a note to the mediation commission, protesting the American operation at Vera Cruz, and intimating that he might withdraw his acceptance of mediation.

VERA CRUZ, May 8.—Refugees say that it is rumored in Mexico City that Querido Moheno, the minister of commerce and industry, is dead.

The rumor cannot be confirmed. By some reports it is said that he committed suicide when Huerta rejected his resignation, while others have it that he died from some unknown cause.

The funeral was conducted very quietly.

CRYSTAL BOUND
OVER TO JURY

Al Crystal, proprietor of the "Second Class" saloon on Friday bound over to the grand jury on a charge of larceny by baillee. Justice of the Peace Gowen fixed his bond at \$2,000.

Crystal is charged with withholding \$1,000 belonging to Thomas Love, an aged cook. Crystal says he gave Love a chattel mortgage and borrowed the money, while the prosecution contends that he took the money to keep for Love while the latter was intoxicated, and refused to give it up, trying to force Love to take the chattel mortgage when he saw Love intended to see the authorities.

Both District Attorney Irwin and Attorney W. H. A. Renner waived their arguments.

HUERTA SAYS NO
AMERICAN CLEAR
CAN FIGHT

MEXICAN VESSELS ORDERED
AWAY FROM HERE

American Soldier Believed to Be a Prisoner in the Hands of the Federal Troops—Two Horses He Had With Him Are Found With Mexicans Today—Theory Is Advanced That He Was Overcome by Heat and Wandered.

WASHINGTON, D. C., May 8.—The latest order to be issued by Huerta forbids any American vessel to be cleared from any Mexican port.

Mexican vessels, likewise, are forbidden to clear for America. All trade between the countries is ordered stopped.

VERA CRUZ, May 8.—It is believed that Private Parks, a cavalryman who disappeared yesterday, is in the hands of Maas' federales. When last seen, Parks was heading toward the Mexican lines.

Mexicans at Tejera were today seen loading on cars two black horses that were in Parks' charge. Officers are certain these are the horses, but no official report has been made regarding them.

Two American soldiers who were made prisoners by the same federales and later released, believe that Parks was overcome by the heat and wandered into federal hands.

KISS MAY SEND
HIM TO SIBERIA

ST. PETERSBURG, May 8.—Siberia will probably be the penalty of a kiss for M. Ivanhoff, student, who was today indicted for attempted murder.

He made the Russian Easter custom of osculatory greeting of the faithful the excuse for kissing pretty Mlle. Lise Alibert, a fellow student.

The girl, refusing to regard the salutation in its religious aspect, screamed, and her brother rushing into the room knocked Ivanhoff down.

The latter then drew a revolver and shot at the brother, but missed. In the meantime the girl has summoned the police, but Ivanhoff, brandishing the revolver, escaped to the street, jumped into a taxicab and compelled the chauffeur to drive at top speed.

Ivanhoff fired at his pursuers without effect. When his ammunition was exhausted the chauffeur refused to go any further, and the young man was arrested.

AUTO STAGE IS
ON THE ROUTE

The first car in the auto service between this city and the county seat of Lake county left Klamath Falls Friday morning with a capacity load.

The machine will run to the foot of Quartz mountain, where it will be met by a team and wagon, which will take the passengers and mail over the mountain, a distance of 18 miles, where another auto will take the load into Lakeview.

This program will be necessary until the Quartz mountain road is in shape for auto traffic. At present it is in poor condition.

St. Bartholomew's church, New York city, famed for its wealth and fashion, was crowded with friends of Miss Eleanor Livingston Burrill and Francis Oromond French, whose wedding took place. The bride wore no jewels. She was gloveless, following the newest mode.

MEN ARE HARD TO

Officials, Through Tumulty, Deny the Reports of Strained Conditions in Mexico—They Say That Conditions in Mexico City, Just Reported, Were Known Some Time Ago Through Official Channels.

By JOHN E. NEVIN
(United Press Correspondent)

WASHINGTON, D. C., May 8.—The selection of the American delegates to the "A. B. C." mediation conferences is one of the most perplexing matters that the administration has to deal with right now.

So far, no solution is in sight. The fact that the conference at Niagara Falls will be very long makes it imperative that the men chosen as delegates must be men who will be able to abandon entirely their personal affairs for an indefinite period.

There are very few big men so situated as to do this.

This may prevent the justices of the supreme court from serving.

The cabinet discussed the matter to some length today.

WASHINGTON, D. C., May 8.—Secretary Tumulty, after a conference with President Wilson, issued the following statement this morning:

"Reports of an attack upon the American forces at Vera Cruz, and serious crises arising there are without foundation.

"General Funston's report to Secretary Garrison of the stories of refugees regarding conditions in Mexico City are merely confirmatory of what was learned through official channels. There is no intention of sending additional troops to Vera Cruz."

Tumulty would not comment upon the fact that the general staff of the army conferred with Garrison until this morning.

LEWIS CLARK IS
ON EXPO. BOARD

Lewis W. Clark, who made many friends in this city while his father was building the Lost River diversion dam, has recently been chosen secretary of the Washington state exposition commission.

The Seattle and Tacoma papers devote a good deal of space to the praise of Mr. Clark as a capable young business man.

This is not the first time that Clark has been connected with the work of the state of Washington at expositions. He was stenographer for the commission at the Lewis & Clark Centennial Exposition in Portland, and was also connected with it at the Alaska-Yukon-Pacific exposition at Seattle.

Mrs. Alice Bischoff, aged 43, died at Bellevue hospital, New York, after having during the past two years swallowed hundreds of hairpins. In 1912 she was sent to the Matteawan asylum for the criminal insane. She at once began to eat hairpins. Once her stomach was opened and sixteen hairpins removed. She was operated upon five times, the last one being fatal.
