

Gulls, Cougars battle to 0-0 tie in girls soccer

EO Media Group

A nonleague girls soccer match between Cascade and Seaside ended in a 0-0 stalemate Thursday, Sept. 10 at Broadway Field.

Cascade was “a challenging side to stay with, but the defensive back four did a great job, turning back each attack,” Seaside coach Matt Johnson said. Gulls’ goalkeeper Jesse Trott “took care of everything that got through the D-line, including a point-blank shot which she smothered.”

“Everyone who spent time on the defense line played tough, disciplined defense, and I am very proud of them,” Johnson said.

Cascade threatened to score more often in the first half than the Gulls, but in the second half the Gulls “started to push the attack offensively,” Johnson said. “The Cascade goalkeeper was solid and handled a couple of tough shots, de-

flecting a quality shot far post from Whitney Westerholm and tracking down through-balls in the box.”

Seaside almost stole a win with a shot by Westerholm that deflected off the post in the final minute of play.

“Our midfielders worked their tails off, our forwards challenged everything, and the defense just shut the door,” Johnson said. “I was very pleased with the improvement they showed tonight. The first game of the season was clunky and it looked like we didn’t know what to do with the ball, but tonight we were a different team and it was an exciting game.”

Is it time for your mammogram?

Mammogram screening can help find breast cancer early. Your doctor can help you decide when and how often to get screened based on your personal and family history, as well as other risk factors.

To schedule an appointment with a Providence physician or provider, call 503-717-7556. We have clinics in Cannon Beach, Seaside and Warrenton. Digital mammography and breast MRI is available in our Diagnostic Imaging Department in Seaside.

A free gift bag will be given to all women who have a mammogram or breast MRI during the month of October.
