The Providence Hood To Coast/Portland To Coast Walk Relays, and the Les Schwab High School Challenge would like to thank the wonderful community of Seaside and Clatsop County residents for partnering with us on the largest relay in the world! You are all truly amazing people!

HERE'S A RECAP OF THE EVENT YOU SO GRACIOUSLY HOSTED:

- Over **\$550,000** was fundraised, which goes entirely toward Providence Cancer Center and their continuous efforts to find a cure for cancer
- **\$25,000** in new funding went to Providence Seaside Hospital
- Thanks to the Clatsop County cleanup crew for helping make the roads as clean as they were before the race
- **\$17,000** was again donated to Seaside Parks and Recreation
- Thank you Seaside, for supporting the race for 26 years in your community!
- To the other 10+ fundraisers along the course; runners and walkers loved everything you provided, and we hope you continue to do so next year!
- We wish there was room to thank every individual, so let us end with this: **SEASIDE IS SIMPLY THE BEST**

With more than 60,000 individuals visiting Seaside for Hood and Portland To Coast, (many for the first time), this visit represents a first impression to a captive audience that very often leads to future visits for these individuals and their families. This is an economic impact that goes beyond measure and one that can very often be a lifelong development of future memories in your town.
