the POWER of POSSIBLE. 

*1.99% Introductory Annual Percentage Rate (APR) is available on Home Equity Lines of Credit with an 80% loan-to-value (LTV) or less. The Introductory Interest Rate will be fixed at 1.99% during the five-month Introductory Period. A higher introductory rate will apply for an LTV above 80%. Offer is available for new applications submitted from February 20 – April 29, 2016. After the five-month introductory period: the APR is variable and is based upon an index plus a margin. The APR will vary with Prime Rate (the index) as published in the Wall Street Journal. As of February 9, 2016, the variable rate for Home Equity Lines of Credit ranged from 3.24% APR to 8.50% APR. Higher rates may apply due to an increase in the Prime Rate, for a credit limit below \$125,000, an LTV above 80%, and/or a low credit score. A U.S. Bank Consumer Checking Package account is required to receive the lowest rate, but is not required for loan approval. The rate will not vary above 18% APR, or applicable state law, or below 1.99% APR. Choosing an interest-only repayment may cause your monthly payment to increase, possibly substantially, once your credit line transitions into the repayment period. Repayment options may vary based on credit qualifications. Interest only repayment may be unavailable. Loans are subject to credit approval and program guidelines. Not all loan programs are available in all states for all loan amounts. Interest rates and program terms are subject to change without notice. Property insurance is required.
