Learn more about your local police

Seaside, Gearhart and Cannon Beach police departments have joined with Clatsop County Sheriff's Office to start its 10th South County Citizen's Police Academy. Classes will be held every Monday evening from 6 to 9 p.m. Classes start April 10 and end June 12 with an optional Saturday class as well. The academy is open to community members who have an interest in law enforcement and want to learn more about their police agencies in the South County.

The goal is to educate citizens about the different

aspects of law enforcement and strengthen our community ties. Participants will have an opportunity to learn about each department, tour the facilities, learn about crime scenes, criminal investigations, learn about the Taser, shoot different weapons, tour the jail and participate in confrontational simulations that Officers deal with.

Participants must be 18 years of age or older. All applicants are subject to a criminal background investigation. Applications are due by April 7. Contact your local police department for more information.

What is tomo?

For your next mammogram, "tomo" is the technology you want. And beginning this spring, that's the mammogram technology you'll find at Providence Seaside Hospital.

Digital tomosynthesis is proven, life-saving 3-D mammography, with clearer images allowing more accurate evaluation.

- 41 percent increase in the detection of invasive breast cancers
- 29 percent increase in the detection of all breast cancers
- 15 percent reduction in the need for additional imaging
- Less radiation than traditional mammograms

Treat yourself to better health at Providence. We're the only medical facility on the north coast with tomo technology.

Schedule your appointment today at 503-717-7242.
