When pulled over, the driver, a 19-year-old from Washington, was found to be operating the vehicle with a suspended or revoked license. The driver reported being a contracted delivery company for Amazon, but

refused to offer his company name, and had no verifiable paperwork. The box truck was impounded by Classic Towing.

The reported owner of the delivery company showed up on scene via taxi, and attempted to force the trooper to not impound the truck. The driver refused to exit the truck. Options of arrest were offered to both subjects who were highly uncooperative.

Road rage incident causes crash

On Dec. 22 at 2:03 p.m., on Highway 26 near MP 18, a road rage incident was reported to be the cause of a crash.

Police say the at-fault vehicle fled the scene; the victim called and reported the crash. The fleeing vehicle was located shortly after by the Seaside police in the Lake Forest RV park.

The occupants of the vehicle were detained and questioned. Who was behind the wheel has yet to be determined. Police say a two-year-old child was inside the fleeing vehicle.

Gary's Towing was on scene to remove the crashed vehicle. This incident is under investigation.
