## Seaside boys swim to third place at state

By GARY HENLEY  
The Astorian

The Seaside boys swim team took home a third place win in the team standings for the 4A meet held last weekend in Cottage Grove.

The Gulls racked up 172 points in the pool to finish behind Marshfield (227) and Marist (217). The Astoria boys were 17th with 26 points.

Newport won the girls team title with 288 points, with Astoria 12th (46). Swimmers from Taft and Valley Catholic — some of whom won district titles — did not participate in the state meet.

“I think we all had a bit of nerves during warm ups,” said Seaside coach Shane Spell. “It was hot, the pool was warmer than they are used to competing in, so it felt pretty draining. But it was clear (the Seaside boys) were ready to go after the first few events.”

Highlighting the meet was a state championship for the 200-yard freestyle relay team of Masyn McCulloch, Leif Rehnert, Logan Dennis and Henry Garvin. The foursome finished in 1 minute, 38.78 seconds to edge Marist (1:39.17).

“I would say the 200 free relay is the one we really had our eyes on, as being able to get some hardware,” Spell said. “And the guys did not disappoint. We went in as a third seed, but they dropped over three seconds to edge out Marist.”

Seaside coach Shane Spell, right, stands with his third place boys' swim team, following last week's final meet.

McCulloch “had some rest after the 500 and came back with a nice leadoff leg,” Spell said. “Leif Rehnert and Logan Dennis put us in good position for the anchor leg, and Henry Garvin finished off his high school

swim career with an outstanding 50 for the team victory.”

Seaside added points with a third place 400-yard freestyle relay in 3:48.41 with Rehnert, McCulloch, Sean Olea and Dennis,

while Garvin was fourth in the 50-yard freestyle (24.05).

The boys' 200-yard medley relay was fifth in 1:54.70, and Shawn Collins took fifth in the 100-yard backstroke (1:04.59).

“We really couldn't have asked for much more,” Spell said. “Every single swimmer and relay beat their seed time, without exception. We wanted to drive away knowing they had given all they had, and they did. A crazy abbreviated season with a great finish.”

The next swim season is just five months away.

“Next season will be even more competitive, and we'll aim to get both guys and girls pushed through to the official state championships,” he said.

### Astoria girls place 12th

The points were hard to come by for the Astoria girls.

Senior Grace Peeler had the highlight swim, breaking her own school record set a week earlier for a second-place finish in the 100-yard breaststroke (1:12.55, down from 1:15.47).

Astoria's 200 freestyle relay (Peeler, Brooke O'Connor, Constance Rouda, Tori Smith) took sixth in 2:00.65.

The Astoria boys 400 freestyle team (Jack Colquhoun, Cody Crisp, Jacob Peeler, Trevor Newman) — which finished fifth at districts — took seventh at state in 4:21.16.

## Carter receives scholarship from Master Gardener group

Seaside Signal

The Clatsop County Master Gardener Association has selected Westin Carter of Gearhart as the recipient of its 2021 scholarship award. The \$2,000 grant will support Carter, a member of the Seaside High School Class of 2021, as he begins his studies in business financing and marketing at the University of Oregon in Eugene in September.

An honor student, associated student body president, and one of this year's two valedictorians, Carter, 18, has already demonstrated significant horticultural skills and entrepreneurial acumen. As a sixth-grader, he began his own lawn care business, earning renown in his neighborhood as “the local lawn boy.”

From those early days working on his own with one lawn mower and hand tools, he's built a thriving business — which he incorporated last year as, fittingly, Local Lawnboy LLC. Local Lawnboy LLC has two trucks, equipment and four employees and will continue under Carter's management and direction as he pursues his

college degree.

Carter has served on the regional councils of the Future Business Leaders of America and the Federal Emergency Management Agency.

Since 2001 the county Master Gardeners has set aside funds for annual scholarships to support one or more local high school graduates whose higher education at college, university, or vocational schools will help them develop skills that contribute to the advancement of sound gardening practices. The scholarship program is open to all high school seniors who reside in Clatsop County. Awards are made based on a student's academic standing and interest in horticulture or a related field.

## Seaside Museum celebrates Prom's 100th anniversary

Seaside Signal

With its recent reopening, the Seaside Museum & Historical Society is poised to join with other community organizations in the commemoration of the Seaside Prom's 100th birthday.

The Seaside Public Library's first new art show since closing because of the coronavirus pandemic features an exhibit by the museum of photos taken of the Prom during the last 100 years. At the end of August, this exhibit will move into the museum's history center.

Organization of festivities celebrating the centennial on Aug. 7, 2021, exactly 100 years since the original dedication — is being led by Steve Wright, the museum's board president

and a city councillor.

Just as in 1921, dignitaries from all levels of government have been invited to attend. Features include a rechristening of the Prom and Turnaround with a bottle of seawater, just as done in 1921, and burying a time capsule to be opened at the Prom's bicentennial in 2121.

Many businesses have joined in support of both the centennial celebrations and the museum as they sell the museum's limited edition lapel pins.

Textile artist Tess Tappert, of Prineville, has created a work of art to

Seaside Museum commemorative lapel pin.

be raffled as a fundraiser for the museum. She designed and pieced the triptych quilted collage specifically for celebration of the Prom's Centennial.

“One Hundred Years on the Seaside Prom” includes more than 200 different fabrics; contains more than 50 different type of beads and colors of thread; and is embellished by more 15 quilting patterns. The piece is on display in the museum's

gift shop and will be featured at Fairweather House & Gallery at the Seaside First Saturday Art Walk, July 3 and July 4.

## Funds delivered to recruit, retain mental health providers

Seaside Signal

CareOregon, in partnership with Columbia Pacific CCO, will invest \$7.5 million investment in behavioral health service providers, including \$594,000 to providers serving Clatsop, Columbia and Tillamook counties. Organizations will use the funds as direct cash incentives to recruit and retain mental health providers serving the region's highest need patients.

Known as the CareOregon Emer-

gency Behavioral Health Workforce Stabilization Fund, this one-time \$7.5 million cash infusion will provide funding to approximately 25 behavioral health provider agencies who serve nearly 85% of the highest need patients served by the Oregon Health Plan in the Portland Metro, Clatsop, Columbia, Tillamook and Jackson County regions.

The goal of this funding is to help address the current symptoms of provider burnout, which leads to highly trained professionals leaving the field,

resulting in higher caseloads for those who remain, and ultimately in less access to community mental and substance use treatment for patients.

Funding will be distributed to behavioral health provider agencies with the aim of passing funds on to providers in the form of retention bonuses, housing support, or other financial incentives to support these essential workers, many of whom make less working in community mental health than they could in other positions that require less training.
