4-H youth rep will visit here

Emilie Bucy, 1986 Oregon International 4-H Youth Exchange (IFYE) representative to Luxembourg, will be in Columbia County February 11-13, to report on her 6-month stay in that country.

Part of her obligation as an IFYE Representative is to bring her international experience back and share it with the people in Oregon. Her visit here is one stop on a 2 month reporting tour to about half of Oregon's counties.

The purpose of 4-H international programs is to further understanding and peace between peoples of the world through direct experience and exchange of young people between countries. Each year, Oregon joins with 4-H programs from other states to send a number of its young people overseas, of which

Emilie is the most recent. In return, a like number of foreign youth come to Oregon.

If your club, organization or school would like Emilie to speak, or if you would like more information on 4-H International Programs, call Jeanne Bandt, 4-H Agent, Columbia County Extension Service, at 397-3462.
