Notes from Mario

Dear citizens of Vernonia:

If not for volunteers, where would Vernonia be? A good guess would be, right in the middle of a mega-dump, maybe. But, due to all the volunteers we have, we can honestly say that Vernonia is on its way up the ladder. If you have any doubts, it's only because you have been sitting on your duff, drinking coffee and criticizing the work that others have done.

The city's volunteers have my deepest appreciation and thanks! Keep showing your pride. It's working!

To those that are still criticizing, - get off your duffs and start helping. There is plenty of work to be done. Vernonia needs you. If you are interested in helping, give me a call at 429-7970.

Don't forget, Lake Vernonia cleanup is the 30th of May. Be there and bring your tools.
