Benefit golf tournament planned for Serafin fund

A benefit golf tournament is scheduled August 11, at the Vernonia Golf Course, to raise money for the Dave Serafin family.

The tournament is open to everyone and the four-man scramble format will make all teams competitive.

For details call Bob Sargent at 429-6522, or Barb Fulmer at Vernonia Golf Course, 429-6811.

City council continues to work on sewer funding

Sewer system funding, tenting fees in Anderson Park and potential vacations of city-owned property occupied most of the Vernonia City Council's meeting time this month.

Another hurdle was jumped in funding of the sewer rehabilitation program with receipt of grants from the U.S. Environmental Protection Agency and Housing and Urban Development. The city is still awaiting federal loan guarantees needed to secure the remainder of its funding package.

The council adopted an overnight tent fee of \$5 per night at Anderson Park, but waived the charge for a June 22-24 horse show hosted by the Vernonia Ridge Riders Horse Club because entrants hadn't been informed in advance of the fee.

The council authorized vacating a portion of city owned property between Bridge Street and Alabama Avenue,

in order to clear title to one piece of privately owned property. Two additional vacations have been requested by property owners in the same general area; their merits will be reviewed at a public hearing on August 20.

In other business, the council:

- Heard a report from the Airport Committee regarding plans for potential development of the airport;
- Agreed to sponsor the local Salmon Trout Enhancement Program;
- Heard a petition asking correction of water drainage on A and B Streets;
- Set new rates of \$235, \$250 and \$275 for cemetery plots;
- Approved Librarian Nancy Burch's attempt to obtain a grant for a microfilm reader/printer;
- Adopted the budget for fiscal year 1990-91;
- Adopted a substance abuse policy for city employees.
