

## Girl Scout Day Camp will return to Camp Wilkerson in August

Girl Scout Day Camp will be in session in August at Camp Wilkerson. Through generous donations of individuals and businesses, the \$150 per day use fee for the camp has been met, enabling director Nona Skinner to en-

### Year-end program enjoyed at Mist

Advertised as "An Evening of Projects, Puppets and Poetry," no-one went away disappointed at Mist School's Parent Night. A room full of parents and friends enjoyed the entertainment provided by the Mist Grade School student body on June 2nd.

Upon arrival, parents were treated to refreshments and enjoyed a brief time for socializing. The program began with a selection of individual and group poetry performed by the primary children. After the opening numbers, parents were invited into the intermediate classroom, where 3rd, 4th and 5th grade students presented their individual science projects.

Following these presentations, primary students entertained with three original puppet plays featuring poetry, songs and comedy. Concluding the program, the younger students sang "America", accompanied by the older students, playing their recorders. The final number was dedicated to Mr. and Mrs. Walter Mathews, special guests for the evening. Teacher Sunny Huntman, who is retiring from teaching, was presented by her students with an ornamental tree.

sure an activity-packed week for the kids. Among some of the activities will be outdoor cooking, hiking, arts and crafts, archery and BB guns, story telling, meadow games and nature study for girls entering kindergarten through twelfth grade.

This year, a milk commodity has been made available for the whole week, which will provide milk for all the children for lunch as well as for snacks. Lunch, which consists of a sandwich, fruit and cookies, is provided at camp.

Camp is in session from 9

a.m. to 3 p.m. Monday through Thursday. Friday camp begins at 11 a.m. and will conclude with an evening program for parents and provide an opportunity for girls to spend the night at camp. The 1994 session will end at 10 a.m. on Saturday.

Registration forms are available at Vernonia Sentry Video, Vernonia Hardware, Vernonia Health Center, and Western Auto.

All school age girls, scouts and non-scouts, are welcome to attend regardless of race, color, religion or national ori-

gin. Handicapped children are also welcome.

For more information about dates, fees, carpools, parent helping, scholarships or gen-

eral questions, please contact Nona Skinner, 429-8401 or Pat Stacklie, 429-7563, of Vernonia, or Vicki Weller in Mist, 755-2466.
