

## Business Notes

### Spar Tree Restaurant reopens with Gloria back in the kitchen

In recent weeks, the Spar Tree Restaurant has closed its doors only to reopen with a familiar face on the scene.

Gloria Atchley has returned to run Gloria's Spar Tree Restaurant, after a two year absence in which the business was leased to someone else.

Many people who patronized the restaurant from 1987 to 1992 will be pleased to know that she returns with renewed vigor for the future of the business as well as for the good, home cooked meals with generous portions

that likely stand out in your memory. Part of her menu will include homemade pies, cakes and, yes, cream pies to satisfy the sweet tooth.

Also returning to the business is Sherry Peck, who was a waitress there for many years. However, Gloria has drawn from her own family to locate a manager. Atchley's daughter, Shauna Bailey, will have that title.

The doors opened on July first at twelve noon and quite evident was the team-work that allowed it to happen.

Members of Atchley's family looked somewhat frazzled as they added finishing touches to the building.

The restaurant will be open Tuesday through Thursday 5 a.m.-8 p.m., Fridays 5-9, Saturdays 8-9 and Sundays 8-8, with Monday being their closed day. Atchley adds that if Monday is a holiday, the doors will be open and the "off" day will be Tuesday. There will be daily specials for breakfast lunch and dinner, breakfast served all day and during hunting season will be open at four a.m.

Sherry Peck, Gloria Atchley and Shauna Bailey.

### Gratteri's expands mobile tire service

Bruce Hepler and Chris McGlothen alongside Gratteri's mobile tire service truck.

If you can't come to Gratteri's, Gratteri's will now come to you.

Gratteri's Les Schwab tire store in Forest Grove has begun offering tire service to those who can't bring their vehicles to the shop, by obtaining a truck which will allow them to go to the location of a job site and perform the same service that would be available at their store.

The service man who will be attending to the upper Nehalem valley is no stranger to either the tire repair business or the area. He is Bruce Hepler, of Vernonia, and many who require mobile services already know him. Hepler is a veteran in the tire business, having worked for Crown Zellerbach for fifteen years in that capacity; then leaving there and continuing for the last eight years at Gratteri's. Hepler won't be alone in his efforts to serve the area; he will be joined by Chris McGlothen, another Gratteri's employee who knows the valley well.

The mobile service will provide the same quality service that Gratteri's has offered for twenty-three years, focusing on heavy-duty tires and commercial batteries. Hepler or McGlothen will be attending this area every Friday. The service will be expanded to include another day, if the need should arise. For now, however, if you should need their services for logging equipment, farm equipment or any heavy machinery, call Gratteri's at (503)357-3136.

### Hunter safety class set for young people

A Hunter Safety course for youths ten-years-old and above, will start at 3:00 p.m. on Tuesday, July 19th, at the Vernonia School District office.

Successful completion of this course is required for any youth who wants to qualify for a hunting license.

### VHS Class of 1984 schedules reunion

The Vernonia High School class of 1984 will hold its ten year reunion on August 6, 1994 at the home of John and Bev Crabtree at 1 p.m.

There will be a barbecue at a cost of \$6 for adults; children eat free. For more information call Shelly Crabtree at (503) 671-9171.
