Celebrating our 20th Year!

On July 15, 1975, a group of concerned citizens decided to form a non-profit agency to provide mental health counseling services for Columbia County. That was the humble beginning of Family Counseling Center. After twenty years of growth, change, and some struggles, Columbia Community Mental Health is still here providing the highest quality Mental Health and Chemical Dependency Counseling services.

We want to take this time to thank all of those who have supported us over the years as we have struggled to care for those who are less fortunate.

Thanks, Columbia County!
