

Thank You Vernonia!!!

Thanks to the many volunteers who helped us during the flood. To everyone who helped with sandbagging, pumping, moving products before and after the flood. To those who helped Friday cleaning & sanitizing, Saturday & Sunday putting us back together and restocking products. It's impossible to name all of you, but we'll always remember the many faces.

Because of people like you, we were able to be back in business the next day. Without your help, we could not have done it!!

We, like many of you, had no insurance; that is a big blow to many of us in this community. But through all of this, we saw something in our community that we have never before seen on such a large scale – volunteers helping the less fortunate, people coming in the store hugging each other, some with tears of sorrow, some with happiness that they were okay. We cannot express how glad we are to be part of this great town!!

Again, our heartfelt thanks to everyone. The cleanup is not over, but with this community's fortitude, we'll all bounce back.

OUR COMMUNITY IS THE GREATEST!!!
