Perot and Clinton deliberately divisive

To the Editor:

A word of caution to all patriots, Democrats, Republicans and Independents. Ross Perot has tossed his hat into the political ring. Remember

1992? Again, I believe it is his and Bill Clinton's aim to divide the consecrative (sic) vote as it was done in '92.

Bob Dole may not be perfect, (few of us are) but morally, patriotically and with integrity he towers miles above Bill Clinton. In his war Dole showed his personal courage on the battlefield. In his "War", Clinton showed his cowardice by fleeing to Europe. While there he worked

against his own nation's military while fifty-eight thousand brave Americans died in his place.

Bill Clinton is a member of the C.F.R. an enemy of the sovereignty of our nation and to its constitution. Nine of his cabinet and post cabinet post (sic) are headed by C.F.R. members as well. Such unconstitutional things as the U.N. Nato and one world government schemes are the

handiwork of the C.F.R. Bill Clinton is also a member of the Trilateral commission which shares the aims of the C.F.R., only on an international scale.

To be fooled by Perot once, is but human, but twice is stupidity. Vote for Bob Dole.

Thank you,
Juneious F. Harty
