CARDS OF THANKS

We wish to express our deepest gratitude for the many expressions of sympathy that have been made toward our family during this time of immeasurable pain and loss. Our hearts have been reminded, though, not to be filled with overmuch sorrow, having assurance that our loss is Gene's gain. God has been gracious to us through your out-pouring of letters, cards, flowers, words of encouragement, as well as your overwhelming tribute to Gene at the memorial service, which was a special honor. It is our prayer that you do not quickly forget the exhortations in regards to your own souls that many of you heard personally from Gene's own mouth and life, as well as at his memorial. May the Last Day reveal that Gene did not labor in vain in his lifetime for your soul's salvation.

No one will ever be able to fill his shoes, but may God give us grace to live before you with a portion of his heart, boldness, and conviction.

Sincerely,
Joyce Weller
Steve & Pam Weller & Family
Dennis & Diane Weller & Boys

Thank you to everyone for your cards, prayers and kindness at the time of my wife's death, especially those who helped with the memorial and dinner.
