

Aids Prevention Team seeks input from others in Columbia County

If you are concerned about AIDS and HIV, you have the opportunity to be involved in the Columbia County AIDS Prevention Team local planning process.

Annually, each Oregon county selects a group of residents to review the county's plan for providing HIV services, and make sure citizens' needs are met. The AIDS Prevention

Team provides the core group for the planning process, but is looking to hear from others, particularly those who are at risk of HIV infection or who have HIV or AIDS.

ipate in the planning process is welcome to attend. Others who wish to make written comments but cannot attend may call the AIDS Prevention Team office at 366-2839 to request a copy of the 1996-97 plan.

For further information call either Pam Powell, HIV Counselor, Columbia County Public Health at 397-4651 or Fr. Elwin Schwab, St. Frederic Catholic Church at 397-0148.

The next meeting is scheduled for Wednesday, April 22 at 6:30 p.m., in the Columbia Technology Center Auditorium in St. Helens.

Anyone who wants to partic-

Windows 98 topic for Users Group

The Windows 98 operating system is the topic for the April 7 meeting of the Columbia County Computer Users Group (CCCUG). This is an opportunity to find out about Microsoft's latest operating system before it is released. Learn what is different and what is needed to upgrade.

The meeting will begin at 6:30 p.m. in the Columbia Technology Center Auditorium, 375 S. 18th Street, St. Helens.

For more information call the Center at 397-1139.
