CARD OF THANKS

I would like to thank you every one for all the loving support and prayers that have been continually given in the last seven years of Frank's fight with cancer. You don't know how much that helped and meant to both of us.

Now that he is at rest, and in our time of grief, we would like to extend our deepest thanks for all the words of comfort, phone calls, flowers, and the loving gifts of food. It is still overwhelming, all the love that keeps coming in. God Bless each and every one of you.
