Temperature and precipitation amounts are from the official U.S. weather station at the Vernonia water plant. Measurable precipitation in January totalled 8.46 inches of rain and snow.

Nehalem Valley Speed and Beauty car club starts on 2000 activities

The Nehalem Valley Speed & Beauty Car Club held its first meeting of the year last week in Lew's meeting room. A large number attended for the beginning of the club's eighth year.

Glenda Delemos will serve as president this year, with assistance from vice-president Sykes Mitchell, secretary Francine Lentz, and treasurer Beth Delemos.

Business meetings are held on the second Tuesday of each month; the next one will be February 8 at the New Hong Kong Restaurant. Dinner will be at 6:00 p.m. with the meeting at 7:00 p.m.

The next monthly garage/workshop meeting is planned for February 22 in Al Delemos' garage. Refreshments will be

served. This meeting is to invite those interested to come and see what it's all about, "talk cars", work on an engine, and meet members of the club. For more information, please call 429-4074.

Nehalem Valley Speed & Beauty is an all-family club and is a great way for parents and children to be in an activity together. The annual dues are \$15.00 for individual or family!

The club's big event of the year is the annual "car show - cruise-in" held during the Vernonia Friendship Jamboree in August. This is a great event, and attracts large numbers from around the Northwest who come to Vernonia for the fun.

Other events during the year include participating as a club at various "cruise-ins" and car shows held around the Northwest. Clatskanie, St. Helens,

Warrenton and other cities in the metro area host events throughout the summer that are fun to attend.

An upcoming garage/workshop meeting will be the taking apart, or dissecting (if you will), an engine to see what's involved and how it works.

If you're looking for something to do, come see what we're all about! For more information, call 429-4074.
