CARD OF THANKS

To our loving Friends - We've never known such depth of pain and emptiness until the passing of our husband and father. But even in the darkest of times God was, and continues to be, there for us. At unexpected moments, when pain and grief overtake us, God pours out His love. His love has been seen in all who have been there for us. You've come to us with such compassion and endless love. There was tremendous support, loving shoulders to cry on and tender hands to hold. People flooded our homes with food, flowers, cards, and prayers, warming the painful chill that enveloped us. To all of you, our deepest, most heartfelt thanks and appreciation. With love,
