lunch for the whole crowd to enjoy when they knocked off at 1:00 p.m. Tables and chairs were put out on the deck of the Scout Cabin and a huge crowd enjoyed barbecued hamburgers, hot dogs, potato salad and other great "picnic in the park" foods.

The beautification project isn't finished, either. More flowers and trees are coming, courtesy of Vernonia Pride and SOLV. Materials for this project were funded by

SOLV, Vernonia Pride and the Vernonia Area Chamber of Commerce.

Anyone wanting to get involved in these community activities is more than welcome to join the crowd. Call Genny
