

Some road closures are set for Hwy 47 bypass in Forest Grove

Short-term closures are scheduled for several roads in the immediate vicinity of the Highway 47 northern bypass project east of Forest Grove. According to Oregon Department of Transportation officials, these closures will allow the contractor to construct the ties between the new Highway 47 bypass and several existing local roads.

The new bypass is open to traffic but motorists can expect intermittent lane closures and delays while the paving process is completed.

The intersection of 24th Avenue and Quince Street will be closed June 5 through June 15, to reconstruct the link with the new highway bypass. Martin Road will also be closed from June 5 through June 15, where

it intersects with Quince Street, north of 24th Avenue. Detour signs will be in place to direct traffic on Verboort Road west to Highway 47, then south on the new bypass to Quince Street.

Beal Road will be closed permanently at Sunset Drive. A cul-de-sac will be constructed at the end of Beal Road at a

point that is presently located in the center of the existing Sunset Drive (old Highway 47). Traffic will be detoured via

Willamina Avenue to Sunset Drive. Sunset Drive at Willamina Drive will be closed June 5-8.
