

Banks "Race for Kids" will benefit Emanuel Children's Hospital

On July 8, the quarter mile dirt track of the Sunset Speedway in Banks will hold the second Annual "Race for Kids" benefit for Legacy Emanuel Children's Hospital.

The great night of family en-

tertainment is a cooperative effort to raise money to help benefit special kids, and has been assembled by Dick Weishan and Krista Hamilton of W.W. Motorsports, Darlene Atwood, Cary Rolfe of KUPL 98.7 Coun-

try Radio, Legacy Emanuel Children's Hospital, and the Sunset Speedway management.

Last year's contributions raised \$2000 for the inaugural event through merchant dona-

tions, sales, driver contributions, raffles, etc. This year's event will raise the bar to exceed the mark set last year. Appearances by clowns with balloons, Monster truck display with Chuck Jordan's "Survivor"

and a gyro ride are some of the highlights of this special day.

A full field of Sprint Cars, Street Stocks, Bombers, and Pro4 Modifieds will compete in trophy dashes; heat races and main events at the park-like setting of Sunset Speedway.

The spectator gates open at 5:00 p.m. Hot laps begin at 6:00 and the first race begins at 7:00. Admission prices are \$9 for adults, \$5 for children under 12, and for those under the age of four admission is free.

For more information, call (503) 526-0842.

Buxton School sold to BCA

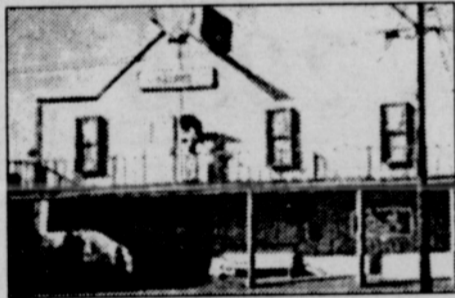

Buxton School will again be filled with the sound of school children at play, now that an agreement has been reached by the Banks School District to sell the property to Banks Christian Academy. The negotiated sales price for the unused school is \$405,000.

Negotiations for the sale of the property have taken several months, but it appears to benefit both organizations. Banks School District is in the middle of a four-year debt repayment program caused by a variety of miscalculations over several years and the \$75,000 down payment would ease much of the financial pressure.

Banks Christian Academy will be able to move from their current facility on N. Main Street and have room to expand their program.
