Be safe, observe fire regulations

Fire season regulations are in effect in Northwest Oregon and there are few exceptions to outdoor burning. The following information will help eliminate confusion about what is and isn't allowable at this time:

- Recreational fires are allowed at properly prepared residential and recreational (parks, etc.) locations. They must be kept under responsible supervision and control at all times.
- Barbecues are allowed, but briquets must be thoroughly extinguished with water. They can appear to be out, then flare up with a small breeze.
- Trash and debris burning are not allowed regardless of whether the burning is done in the open or in a burn barrel.
- Outdoor fires are not allowed in any forested area.
- Some areas in and around Vernonia are, or will be, posted prohibiting smoking and ATVs.
- Tall grass and weeds that contribute to fire danger are a violation of City of Vernonia safety ordinances. It is best to cut them before they dry enough to create a problem. Property owners who fail to maintain a safe area may be cited and fined.

The exceptions noted above are contingent upon weather conditions. If, at any time, the State Fire Marshall bans all outdoor burning, that will include a ban on recreational fires and barbecues.

Anyone who would like an inspection of their property before enjoying a recreational fire in their yard, may call the following numbers:

Vernonia (rural and city)- 429-8252; Forestry Department (Pittsburg station)- 429-2501; Forestry Department (Columbia City office)- 503-97-2636.
