

# Alternative Stage a great place to relax and enjoy lots of music

Top left: As usual, Alfred Easter, second from left, and Whitewater had the crowd rocking and wanting more.

Top Right: Lisa Miller and Her Trailer Park Honeys, showed again why they are favorites at the Alternative Stage.

Above: Clyde "Guitar Lips" Tatman, left, and Clark Mc-Gaugh entertained a receptive audience with the blues.

As a hot Saturday afternoon started taking its toll of Jamboree revelers, they stopped to rest and relax while listening to music.

This youngster knew how to look cool and be cool.
