

Business Notes

Scrapbooking supply store now open

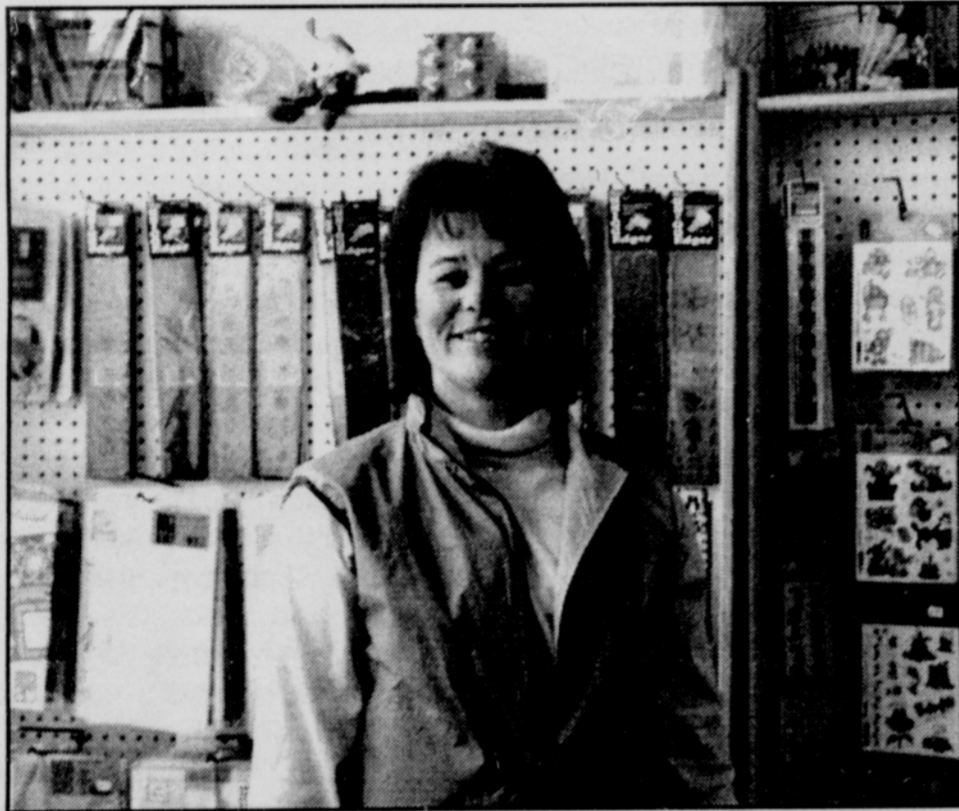

After five years of involvement with scrapbooking, Carey Jones-Timmerman has opened her own business catering to the needs of scrapbooking hobbyists.

Since first getting interested, by watching a television show about scrapbooking, Carey's personal involvement has gone way beyond the hobby level. During the past two years, she

often worked for Cropper Hopper at events in Portland and Seattle, then studied more on the subject and earned her Scrapbooking Arts degree from Creating Keepsakes magazine. This month, she was named winner of a page contest by Hot Off The Press.

In addition to bringing scrapbooking supplies to Vernonia, Carey will be offering both classes and crops. Her classes will be scheduled to meet the needs of the community, but they will not all be limited to adults. Carey plans to also offer classes that will meet the needs of both high school and grade school youth.

Stop in at Carey's Creat-A-Cate Scrapbook & More at 715 Bridge Street. She's open Tuesday through Saturday from 10 a.m. to 4:30 p.m., or call her at 503-429-4773. You'll find prices comparable to specialty stores in the valley and, even more, you will enjoy great customer service.

Carey Jones-Timmerman is ready to serve the needs of area scrapbooking enthusiasts.

Drive through Christmas decorations at Fairgrounds

Beginning December 1, the homemade Christmas decorations donated to the Fairgrounds by Robert Welch two years ago, will again be on display at the fairgrounds during weekends throughout the

month of December. The display will be from 5:00 to 10:00 p.m., Friday, Saturday and Sunday. Drive through and enjoy the family spirit of Christmas. Donations will be accepted to help pay for electricity.

A Living Nativity will be presented by Grace Baptist Church at the fairgrounds on December 21, 22, 23 and 24, from 6:00 to 9:00 p.m.

Call the fairgrounds for more information at 503-543-4231.

Deadline is near to be included in drawing for free 100 gallons of oil

November 30 is the deadline to enter a drawing for 100 gallons of free heating oil. If you heat your home with oil, have never had an energy audit and request one by Nov. 30, you'll be entered in the drawing. Two Oregon residents will be selected at random. Call 1-800-452-8660 for the free audit.

The energy audit is part of the Oregon Office of Energy's State Home Oil Weatherization (SHOW) Program. The audit will cover how to keep out the cold weather and which energy-saving measures are eligible for special rebates.

SHOW analysts check insulation in the attic, walls and floors, inspect the windows and perform a free furnace efficiency test.

While special funds last, you can get as much as \$1,200 cash back from the SHOW Pro-

gram for energy-saving measures such as:

- Energy-efficient replacement windows, up to \$200
- High-efficiency replacement oil furnace or burner, up to \$200
- Insulation and programmable thermostats, up to \$400.

Homeowners also may qualify for a 6.5-percent interest SHOW loan through participating lenders for any measure recommended in the SHOW audit. To qualify for rebates or financing, the Office of Energy must approve the project before work begins.

The SHOW Program serves households that heat with oil, wood, propane, kerosene or butane. Oregon's fuel oil industry provides funding. For more information, call toll-free: 1-800-452-8660 or visit our Web site: www.energy.state.or.us.

Happy Thanksgiving
