

Lincoln, Washington Grade Schools present holiday programs

The annual holiday lunch and program for Vernonia senior citizens was met again with enthusiasm by the seniors, school staff and young people from kindergarten through sixth grade.

The students' matinee performance was packed with older citizens and the audience at the evening performance was filled with parents and other family members.

Most of all, though, the familiarity of it all was delightful. Some performers were restless, some were shy, some were distracted, some performed like professionals. The annual holiday performance is a familiar, comforting beacon in a world of political correctness that can obscure the fun of being, and observing, children.

—Noni Andersen
