**NOTICE OF TWO PUBLIC HEARINGS**

The shaded area in the map above is proposed for the Downtown Zone.

Public hearings are scheduled before the Vernonia Planning Commission on January 15, 2004, at 6:30 p.m. and before the Vernonia City Council on January 19, 2004, at 6:30 p.m. in the Council Chambers of City Hall, 1001 Bridge Street, Vernonia, Oregon, to consider rezoning portions of General Commercial and a few General Residential properties to "Downtown Zone," a new zone created by the adoption of the "Smart Development" Ordinance. The new Downtown Zone would be located in the heart of Vernonia's business district and its provisions would prevent future development that would spoil the small town character of Vernonia's Downtown. Property owners with existing uses and structures would not be required to make any changes. The provisions will apply when new structures are built, substantial additions are made, or new uses are proposed. A copy of the Downtown Zone provisions of the "Smart Development" Ordinance is available for inspection at Vernonia City Hall. A copy of the entire "Smart Development" Ordinance also is available for purchase at a cost of \$3.20.

The public hearings are governed by Vernonia Ordinance 711, ORS 197.763, ORS 197.005, ORS 197.175, and Oregon Statewide Land Use Goals 1, 2, 10 & 14 and OAR 660-025. A staff report will be available to the public at City Hall one week before the hearing, and may be copied for a nominal fee. Failure to raise an issue in a hearing, in person or by letter, or failure to provide statements or evidence sufficient to afford the decision-maker an opportunity to respond to the issue precludes appeal to the board based on that issue. Public testimony is welcome, and written statements will also be received before the hearing. For additional information concerning the "Smart Development" Ordinance, call Julie Steffen, Vernonia City Planner at 503-429-5291.

The meeting location is accessible to persons with disabilities. A request for an interpreter for the hearing impaired or for other accommodations for persons with disabilities should be made at least 48 hours prior to public hearing to Kate Conley at 503-429-5291, TTY 1-800-735-2900 or at City Hall, 1001 Bridge Street, Vernonia, OR.

The City of Vernonia is an Equal Opportunity Provider and Employer.
