Ever wonder – What's up with up?

There is a two-letter word that perhaps has more meaning than any other two-letter word, and that is "UP." It's easy to understand UP, meaning toward the sky or at the top of the list, but when we waken in the morning, why do we wake UP?

At a meeting, why does a topic come UP? Why do we speak UP and why are the officers UP for election and why is it UP to the secretary to write UP a report?

We call UP our friends and we use it to brighten UP a room, polish UP the silver, we warm UP the leftovers and clean UP the kitchen. We lock UP the house and some guys fix UP the old car.

At other times the little word has real special meaning. People stir UP trouble, line UP for tickets, work UP an appetite, and think UP excuses.

OREGON TRIVIA

4. Called the "Buffalo Bill of American Literature," what colorful 19th-century Oregon-based poet wrote My Life among the Modocs?
5. The University of Oregon played what team in the 1995 Cotton Bowl?
6. Swainson's hawk, which summers in Oregon, migrates to what country for the winter?

To be dressed is one thing but to be dressed UP is special.

And this UP is confusing: A drain must be opened UP because it is stopped UP.

We open UP a store in the morning but we close it UP at night.

We seem to be pretty mixed UP about UP!

To be knowledgeable of the proper uses of UP, look UP the word in the dictionary. In a desk size dictionary, takes UP almost 1/4th the page and definitions add UP to about thirty.

If you are UP to it, you might try building UP a list of the many ways UP is used. It will take UP a lot of your time, but if you don't give UP, you may wind UP with a hundred or more.

When it threatens to rain, we say it is clouding UP. When the sun comes out we say it is clearing UP.

When it rains, it wets UP the earth. When it doesn't rain for awhile, things dry UP.\

One could go on and on, but I'll wrap it UP, for now my time is UP, so..... I'll shut UP.....!
