## Tillamook Forest program promises educational fun

From page 8

### Sat., August 14, 7 p.m. NATURE'S YUCKY!

Did you know that salmon rot while they are still alive? That turkey vultures poop on their feet? Or that honey is actually bee barf? Several wild animals of the Tillamook often have icky and gross behaviors, but for good reasons. Join us for a program filled with eewwws and aahhhs as we discover that nature can be disgusting, but also beautiful too. Browns Camp Day-use Area

### Sat., August 21, 2 p.m. SIGNS OF WILDLIFE

Where are all of the animals? Learn to recognize the clues animals leave behind and you will find that they are all around you. Join interpreters for a forest walk where we will share tips to enhance your chances of spotting of wildlife and increase your awareness of their presence. Smith Homestead Day-use Area

### Sat., August 21, 7 p.m. SKULLDUGGERY

Ever encounter an animal skull in the forest? Skulls give clues to an animal's identity, what it prefers to eat and how it lives. This is an introduction to the diversity and adaptations of mammal skulls and the structure and function of different types of teeth that relate to specific diets. Browns Camp Day-use Area

### Sat., August 28, 2 p.m. BEAUTIFUL BUTTERFLIES

Have you ever wondered what type of insect that is fluttering around as you walk through the forest? Join naturalists to learn how to identify many of the forest butterflies. Find out more about the habits of these beautiful insects and where to find them in the nearby woods and meadows. Gales Creek Campground Day-use Area

### Sat., August 28, 7 p.m. BIRDS OF PREY: OWLS

Take a close-up look at the

owls of the Tillamook State Forest. Learn to identify these incredible birds of prey and recognize their calls. Find out the adaptations that make these birds some of the most skilled nocturnal hunters in the forest. Learn the signs to look for to help you find owls in their natural habitat. Smith Homestead Day-use Area

Program sites are at the following mileposts along Hwy 6:  
Gales Creek Area – MP 35  
Smith Homestead – MP 22.5  
Brown's Camp – MP 33

Tillamook State Forest can also make special arrangements for custom programs. Call to schedule a program at least two weeks in advance of your planned program date. Group size is limited to 15. For more information, contact Denise Diermeier, Oregon Department of Forestry: 503-359-7485; email <ddiemeier@odf.state.or.us> or go to: [www.odf.state.or.us/areas/northwest/tillamook/tsf/inter.asp](http://www.odf.state.or.us/areas/northwest/tillamook/tsf/inter.asp).
