Did You Know . . .

By Chief Matthew Workman
Vernonia Police Department

The Vernonia Police Department would like to promote a very important program to everyone who has or will have a young driver in their family. The *I Promise Program* is a teen driving initiative designed to reduce the risk of teen driving crashes, injuries, and deaths. Given the recent deaths of the two 18 year-old girls on Hwy. 26 and a multitude of serious crashes in the Vernonia area, safe and responsible driving is a very important issue facing parents

and teens alike.

Just yesterday I was returning from the Richland, Washington, area when my family and I saw a fatal truck/motorcycle accident near the Biggs area. My daughter is six years from her driver's license but I worry how responsible she will be and how responsible her friends will be when it comes to driving. We can't be with our children 100 percent of the time but we can make every effort to teach them responsibility and be in the back of their minds when they are making decisions.

The *I Promise Program* is a free program and can be found at <www.ipromiseprogram.com>. It consists of a voluntary contract between teens and parents as well as a window sign that invites people to call a

number if the vehicle exhibits unsafe or reckless driving. All parents with young drivers should go to the Web site to learn about the program and to see some startling facts about teen driving. If you do not have Internet access you can call me at 503-429-7335 and I can help you get a copy of the contract and window sign.
